

ALUMNI SPOTLIGHT

CALLIE REZAC, 2010 Graduate

What was an important life lesson learned at St. Mary's School? To always reach out when you have a question, never be shy to ask for help, and participate by sharing ideas..

How has St. Mary's School influenced you? To always find opportunities to help those in need, make someone feel valued, and share your faith to your surrounding community.

What is your favorite St. Mary's School memory? I have so many great memories from my time at SMS, so it's hard to choose just one. However, my overall favorite memories were the unique opportunities SMS provided such as participation in Catholic traditions, track and field day, volunteering, field trips, and various sport options.

What's your greatest advice for current students? Create and cherish strong connections with your peers and teachers. They're a great asset, and will continue to be as you go through various life stages.

What sums up St. Mary's School in 3 words? Faith, family, and support

What are you doing now? I am an Onboarding Specialist at American CyberSystems.

Anything else you wish to share? SMS has definitely set the bar on K-8 schools for when I start a family. I want my kids to have a similar experience as I did while in school.
