

St. Mary's School

Student Drop-Off & Pick-Up Plan

Revised 8/10/22

Carline Procedures:

***Do NOT walk through the carline**

- Enter the carline at the lane closest to the church (a shift from prior years).
- Students will remain on the sidewalk until their car has pulled up to the curb.
- If your child is not at the curb, you will need to make another loop around.
- Exit the carline in lane before the basketball court (as indicated by the cones).

If you need to park to go into the office, you may only park in the row closest to the basketball court or the spots near the street.
