# Eucharistic Miracles Throughout History

Sometimes the veil between heaven and earth flutters, and God allows us a physical glimpse into supernatural realities. Below are some of the many amazing Eucharistic miracles that provide evidence for the Real Presence of Jesus in the Eucharist.

## Scientifically Confirmed

### LANCIANO, ITALY

In the eighth century, an Italian monk had doubts while saying Mass. As he said the words of consecration, the host visibly changed into cardiac tissue and the wine became physical blood. This miracle has been studied by modern scientists, who have concluded that there is no natural explanation. DNA indicates the flesh is from the middle east, matching the genetics and blood type recovered from the Shroud of Turin.

## The Waters Parted

### AVIGNON, FRANCE

The Chapel of the Holy Cross had the Eucharist exposed during the massive 1433 flood. The water in the church was 4ft high, but the center aisle remained completely dry, creating a clear path to the Eucharist.

## An Army, Defeated

### ASSISI, ITALY

In September of the year 1240, the Saracen Army stormed the convent of the Poor Ladies of San Damiano, now known as the Poor Clares. Though frail at the time, St. Clare carried the Blessed Sacrament before the army and cried out to Jesus for protection. The soldiers were struck with fear and retreated at the sight of the Sacred Host.

## A Living Person

### BALTIMORE, MARYLAND

On his 1995 visit to the United States, Pope St. John Paul II asked to visit the Blessed Sacrament at Saint Mary's Seminary chapel in Maryland. His security personnel brought in trained dogs to sweep the area. The dogs indicated that a living person was in the Tabernacle, and refused to leave!

## Even Fish Worship Him

### ALBORAYA-ALMÁCERA, SPAIN

In 1348, while a priest was crossing the river on his way to bring the Eucharist to some sick members of his community, he was knocked into the water by a wave, and the consecrated hosts were swept away! Horrified, he did not think they could be recovered. Some fishermen called to him from further down the river, where three fish suspended themselves almost completely out of the water, holding the precious hosts carefully in their mouths. One-by-one, they deposited the hosts back into the chalice and dove back into the water.

Bl. Carlo Acutis dedicated his life to chronicling hundreds of approved Eucharistic Miracles on a website he built himself. Join us in asking his intercession for the National Eucharistic Revival, that we may be set ablaze with the same desire to make Jesus in the Eucharist better known and loved!
