## PRO-LIFE NEWS

### What to Do When a Friend is Considering Abortion

Read the full version at  
[respectlifeprogram.org/l-o-v-e](http://respectlifeprogram.org/l-o-v-e).

When a woman is facing a difficult pregnancy, the reaction of the first person she tells tends to set the tone for her decision-making. How do we respond in a loving way that is life-affirming for both her and her baby? First, prioritize listening over speaking. Ask her about her feelings, thoughts, values, beliefs, and wants. When her story is fully shared, it is your turn to provide factual information, in a loving and caring way. Encourage her.

Help her set goals that extend beyond her due date to help her see life beyond her pregnancy. Reassure her that she is not alone, and provide practical support. Pray with her, offering Christ's love at a crucial life-saving and life-defining moment.

**Reassure her  
that she is  
not alone.**
