Respect Life Reflection:

“We are called to be signs of hope to all people, especially those whose goodness, value, and dignity are undermined. As members of the Body of Christ, We carry this hope with us as we continue Jesus’ mission on earth... We have been entrusted with a message of hope for the women who finds herself unexpectedly pregnant or for the man diagnosed with a terminal illness. At these challenging moments, we must bring God’s presence, witnessing to His love, and inspiring a renewal of hope in those whose hearts are burdened.”

A PRAYER FOR HOPE

Heavenly Father, in the sacrament of Baptism, you have given us the gift of new life. Through your son our Lord Jesus Christ and the Holy Spirit, you have made us your own.

Help us to recognize the gift of human life as a sign of hope in our world.

Reveal to us the places where your precious gift of life is most in need of protection and strengthen us to defend life in all stages and circumstances, from the child in the womb to the elderly and dying.

Guided by your Holy Spirit, guard us from discouragement and give us the grace to be messengers of hope, filled with confidence that nothing can separate us from your love.

Through Christ our Lord. Amen.
