Parish News

60 Under 60

"60 Under 60" is a feature in our bulletin this year as we celebrate our 60 years as a faith community. Please provide a memory about the parish over the past 60 years that can be included in the bulletin using approximately 60 words. Please submit your entries to stbasilsparish@gmail.com

My youngest child was baptized by Fr. Ruth in 1971, just before I left alone for Australia with a 6 week old, a 13 month old and a 3 year old. I felt that he gave us a farewell blessing. We talked about this when I visited him in Toronto when he was dying. We always remembered Fr. Ruth as being a beloved fatherly figure. One great memory I have of him is what a wonderful gardener he was. He had an enormous rhubarb patch and for many years my family enjoyed delicious pies thanks to Fr. Ruth's rhubarb.

The Role of Women in Healing the Church:

Second CWL Zoom meeting

10-11:30 a.m. on Saturday, October 31, 2020

"I see clearly that what the Church needs most is the ability to heal wounds and to warm the hearts of the faithful." Pope Francis

St. Basil's CWL invites parishioners to heed Pope Francis' exhortation by participating in our second Zoom gathering on the Role of Women in Healing the Church. Discussions will be based on Sister Nuala Kenny's video presentation to the National CWL in August. It is available at <https://cwl.ca/re-watch-the-summer-speaker-series-webinars/> For more information and to register for the event please contact Elizabeth Elliot, elliotji@rogers.com.

The Carlington Community Chaplaincy is in need of a fridge in working order. The Chaplaincy is no longer getting food for the breakfast program from the Food Bank, so more cold storage space is needed to store yogurt and cheese to avoid having to travel more often to Wholesale Club to pick up food. If you can help, please contact Kathy Czerny at 613-728-3850 or email her at kczerny@sympatico.ca.

Pope Francis has just released his third Encyclical, *Fratelli Tutti*, (on social friendship). Here is one of the prayers from his Encyclical.

An Ecumenical Christian Prayer

*O God, Trinity of love,
from the profound communion of your divine life,
pour out upon us a torrent of fraternal love.
Grant us the love reflected in the actions of Jesus,
in his family of Nazareth,
and in the early Christian community.*

*Grant that we Christians may live the Gospel,
discovering Christ in each human being,
recognizing him crucified
in the sufferings of the abandoned
and forgotten of our world,
and risen in each brother or sister
who makes a new start.*

*Come, Holy Spirit, show us your beauty,
reflected in all the peoples of the earth,
so that we may discover anew
that all are important and all are necessary,
different faces of the one humanity
that God so loves. Amen.*

Please consider joining our parish's newly established Technology Ministry Team:

At present, the parish has Ed Loziuk, Kevin Murnaghan and Caleigh Murnaghan as a kind of technology team. But as the pandemic progresses, it is important for our parish to expand this ministry. Ed and Kevin are more than happy to take the time to train others to become videographers and sound technicians. If you would like to learn or enhance these skills, please contact the parish office.

Employment and Volunteer Opportunities:

St. Patrick's Church, Fallowfield is recruiting an Office Manager: Commencing at 16 hours weekly and more than likely to increase up to 30 hours post Covid-19. Wages hourly, to be negotiated. Further details and job description can be found at: <http://stpatricksfallowfield.com/office-manager-needed/>.

Volunteer Technology Team: Are you good with technology and would like to help parishes out? The Archdiocese of Ottawa-Cornwall is forming a volunteer Technology Team which will help parishes during this time of COVID. Specific area of assistance would be with video conference calls, mass email programs, data management and streaming. If you would like to join our volunteer team, please contact Ted at thurley@archottawa.ca.

Care For Creation-Pope Francis: Our Moral Imperative to Act on Climate Change and 3 Steps We Can Take: On October 10, 2020, Pope Francis gave a TED talk as part of a global initiative to champion and accelerate solutions to the climate crisis. He proposed three steps – “education in the care of the common home... focus on water and nutrition...a gradual, but immediate, replacement of fossil fuels with clean energy sources.” To view the talk:

by the elevator of love
and not climb the rough stairway of fear.
