Father Corbin Eddy – for further reflection:

Most of what I really need
To know about how to live
And what to do and how to be
I learned in kindergarten.
Wisdom was not at the top
Of the graduate school mountain,
But there in the sandpile at Sunday school.

These are the things I learned:

Share everything.
Play fair.
Don't hit people.
Put things back where you found them.
Clean up your own mess.
Don't take things that aren't yours.
Say you're sorry when you hurt somebody.
Wash your hands before you eat.
Flush.
Warm cookies and cold milk are good for you.
Live a balanced life -
Learn some and think some
And draw and paint and sing and dance
And play and work everyday some.
Take a nap every afternoon.
When you go out into the world,
Watch out for traffic,
Hold hands and stick together.
Be aware of wonder.

Pope Francis's Message for the 31st

World Day of the Sick: The Vatican has released Pope Francis's message for the 31st World Day of the Sick, celebrated on Saturday, 11 February, liturgical memorial of Our Lady of Lourdes. The Holy Father's message is entitled: "Take care of him" – Compassion as a synodal exercise of healing. In light of the Church's synodal journey, Pope Francis invites "all of us to reflect on the fact that it is especially through the experience of vulnerability and illness that we can learn to walk together according to the style of God, which is closeness, compassion, and tenderness."
