Sunday, June 11, 2023, at 2:30 p.m.

**Dr. Doris Kieser**

***Sexuality and Catholic Thought:  
Flourishing Bodies***

Doris Kieser is Associate Professor of Theology and Ethics, and Associate Dean, at St. Joseph's College, the Catholic College at the University of Alberta. She is also a Core Member and Adjunct Associate Professor at the John

Dossetor Health Ethics Centre, at the U of A.

**Zoom link will be on the Parish website**

### **Earth Month by Ariana Roque, a St. Daniel School Student, Presentation at the Sunday Mass on April 23, 2023**

Hello and thank you for coming! Today I will be talking about how St. Daniel is eco friendly. St. Daniel has compost, recycling, and garbage. The grade 5-6s empty them two times a week. I would also like to give thanks to Mr. Gentle for always helping clean up the school. Teachers help make sure the grade 5-6s did the recycle and compost properly and that is called a recycle program. St. Daniel plants more trees and plants to help the environment. I would like to say thank you to our kindergarten classrooms because they reuse recycling at their creation station. St. Daniel has a maker space which has a lot of stuff that could have been thrown out. St. Daniel has clean-up days where we go around the neighbourhood and pick up junk! Also, in the maker space everything is used as art. There is a special gift on Mother's Day for kindergarten. In kindergarten they give a flower in a pot and then the mother will plant the flower outside with care; then more bees may just come back. In DENS at St. Daniel, we do teachings on how to preserve the Earth. All of St. Daniel uses reusable containers which helps with cleaning up the plastics in the rivers, lakes and oceans. St. Daniel is very eco friendly and I would recommend you clean up the junk in your neighbourhood too. Have a nice day everyone!
