**July 30th is World Day Against Trafficking in
Persons:** In every region of the world, traffickers
exploit vulnerable women, girls, men, and boys of
all backgrounds for profit. Traffickers often use
violence, blackmail, emotional manipulation,
removal of official documents, fraudulent
employment agencies and fake promises of
education and job opportunities to trick and coerce
their victims. Please consider supporting the Blue
Heart Campaign, which raises awareness around
the globe of human trafficking and its impact on
people and society Please also consider seeing the
movie "Sound of Freedom". It is showing at the
Kanata Landmark Cinema at 12:50, 3:15, 6:25 and
9:35. It runs approximately 135 minutes. PG-13.
