Small Groups!

Mass!

Welcome to Sacred Heart Catholic. We are a vibrant parish striving to be "active apostles" for Jesus Christ. This report presents our parish Vision Statements, the ways in which we carry out our parish mission, and just **some** of the examples of how we achieve them. Please look inside, and join us in our mission!

Peace, Fr. Chris

Sharing the Good News of God's Love through Active Apostleship

WINS OF 2021

VISION STATMEMENT #1

Sacred Heart invites people to have a personal encounter with the intimacy of Jesus through the Eucharist. Jesus doesn't want a relationship with the building of Sacred Heart, He wants a relationship with YOU. In Lent we opened our doors for the first time every evening and invited people to come experience the Light of Christ in Adoration, Mass, Reconcilation, Rosary, Stations of the Cross and Speakers. Over 1300 people participated.

1300+ ENCOUNTERS

VISION STATEMENT #2

The Mass stands at the heart of our parish family and inspires everything we do. We created a brand new digital ministry including a state of the art video system with a trained team of 10-12 individuals who livestream two Masses each weekend, Sacraments and special events. We make sure those who cannot physically be here with us can still be a part of the most important thing we do.

NEW MINISTRY!

VISION STATMENT #3

We are Active Apostles who visibly go into our community on mission to share the Good News of God's love. Over 200 Active Apostles have been featured in our bulletin highlighting all the ways YOU share God's love. We have inspired parishioners to go out into the community in new ways then ever before. Sacred Heart parishioners started the St. Gemma Ministry, Mary's Helping Hands, a new Pro-Life Initiative and a new Prayer Ministry. We have dozens of new liturgical ministers and have almost doubled our usher ministry!

40% MORE USHERS

NEW MINISTRY!

VISION STATMENT #4

Sacred Heart Catholic equips families to be the first educators of the faith. Switching our RE program to Family Formation brings 250 parents to campus along with 125 kids to be formed in the faith TOGETHER! This program is for ALL families regardless of which school the children attend.

NEW MINISTRY!

VISION STATMENT #5

Everyone who walks through our doors feels like they belong here, by being welcomed, valued, and loved. We revamped our usher ministry to greet you at the door with a smile and be a visable presence to everyone who walks through the door. Our new Got Questions Team is ready at the new Welcome Center to answer any question and welcome every guest!

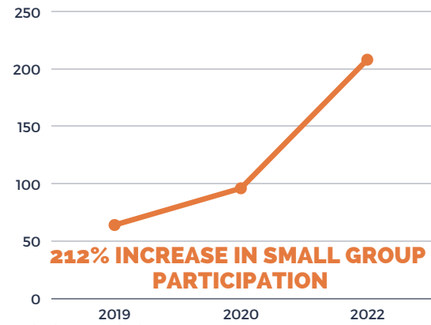
NEW MINISTRY!

VISION STATEMENT #6

Sacred Heart Catholic stands out for the professional way in which it is managed. Our Pastoral Council (PC) has been restructured into a strategic planning body encompassing the true nature of Divine Renovation. With the Finance Council and BOE, the PC successfully lead Sacred Heart organizationally and financially through the pandemic allowing us to continue our true mission of sharing the Good News.

VISION STATMENT #7

Everyone is more than just a name they are truly known because they belong to a small group or ministry. Small groups are where true community and love are nourished in a large parish. We had 300+ people participate in our first parish-wide small group offering, ***The Search.*** You can now find over 25 small groups that continue to meet and grow together.



212% INCREASE IN SMALL GROUP PARTICIPATION

VISION STATMENT #8

We value and celebrate our diversity (language, culture, age, spiritual journey) through liturgy, education, and fellowship. We have increased our Spanish speaking staff to three individuals and continue to look for opportunies to be One Shared Parish bringing multiple cultures together to celebrate the Catholic faith. This includes choosing a Family Formation program offered in both English and Spanish.

7 NEW MINISTRIES

VISION STATMENT #9

We cultivate a devotion to the Sacred Heart of Jesus. We had the first ever Sacred Heart of Jesus Feast Day Party with Mass, food, games and live music to celebrate our feast day. We also began recognizing the devotion to the Sacred Heart on the First Friday's with Mass and fellowship. The entire staff and many small groups have read books and studied this special devotion that makes Sacred Heart unigue.
