

COSMIC ADVENT WREATH

December 5th – Second Sunday of Advent *(Green Candle)*

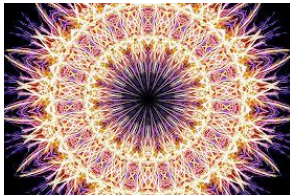

BIRTH OF THE SOLAR SYSTEM

“This vast ocean of our solar system is like a womb, that has unfolded over some five billion years to become galaxies and stars, palm and pelicans, the music of Bach and each of us alive today.”

Brian Swimme

*May our struggles and our concern for this planet
never take away the JOY of our HOPE.*

COME

Wondrous Community of Infinite Love

Today as I/we light the candle of the BIRTH of the SOLAR SYSTEM we pray “Triune God, wondrous community of infinite love, teach us to contemplate You in the beauty of the universe, for all things speak of You. Awaken our praise and thankfulness for every being that you have made. Give us the grace to feel profoundly connected to everything that is.”
