Did You Know?

On May 12, 2015, David A. Prentice, Ph.D., Vice President and Research Director of the Charlotte Lozier Institute, was invited to speak on the science of fetal pain on Point of View radio talk show.

"But the real science – and there's some new things in fact, that have come out in the last few months – but the science pretty conclusively demonstrates: Young babies still in the womb at 20 weeks after conception, and probably even earlier, do indeed feel pain, and in fact, may feel more intense pain than a newborn or an adult."

If you would like to be put on our email list for RLM updates, please email Evelin Martinez at evelinmart@yahoo.com.

VIRTUS REFRESHER WORKSHOP

"**Keeping the Promise Alive**" is a mandatory refresher course that went into effect 2011-2012. Employees and volunteers are required to attend "**Keeping the Promise Alive**" after 5 years of attending the "protecting God's Children" workshop. It is a 1.5 hour session with one video that provides ongoing awareness for the prevention of child sexual abuse. The material covered in "Keeping the Promise Alive" is designed to identify and reinforce the lessons of the original "Protecting God's Children" program by clarifying some of the more challenging aspects of the sessions and strengthening the participants' ability to recognize risky behavior by adults in their environment and take action to intervene in potentially threatening situations.

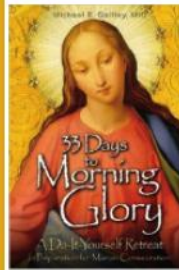

A "**Keeping the Promise Alive**" workshop will be held here at **St. Edward** on **August 29** at **10:00am**.

Important Notice: Please log into your original account created when you attended a VIRTUS Protecting God's Children workshop. If you do not remember your user ID and password, please contact **Jane Truttier, Parish Safe Environment Coordinator** at 281-353-9774 or via email at jtruttier@saintedward.org.

Ministry Spotlight

Art & Environment

Have you ever wondered how the church transforms overnight at Easter and Christmas? How and why we suddenly change from green to purple during the year? The Art and Environment ministry, under the leadership of Deacon Nick Thompson, makes these transformations to reflect the Church liturgical year. The ministry members help prepare and decorate the church for the six liturgical seasons: Advent, Christmas, Lent, Sacred Paschal Triduum, Easter, and Ordinary Time.

Deacon Nick encourages parishioners to come "join the fun" and states that "more volunteers are always needed and welcome." The exact time commitment varies depending upon the Church liturgical season. The planning meetings take place in the Parish Life Center meeting room and typically occur on the Friday evening prior to a liturgical season and color change. The preparation for the Sacred Paschal Triduum normally takes place on the Monday evening prior to Ash Wednesday. Please watch the bulletin for requests for assistance with these seasonal change preparations as the Church colors change from green to violet (purple), white and red. Those who wish to become part of this ministry can also contact Deacon Nick at 281-825-0804 or by email at nthompson@saintedward.org.
