Did You Know?

On April 7, the Arkansas State Medical Board voted to use the life-affirming terms, "unborn child" and "unborn human individual" in abortion related regulations. Abortion activists try to hide the child's humanity by describing it as a "fetus" or a "clump of cells" because when women recognize that the child in their womb is a child, they are less likely to have an abortion.

I would like to say Thank You from the bottom of my heart to our Write For Life Scholarship / Banquet Committee for one year of planning, hard work and dedication to make this a very special event.

LECTIO DIVINA

Lectio Divina is one of the great treasures of the Christian tradition of prayer. This tradition of prayer flows out of a Hebrew method of studying the Scriptures, which was called haggadah. Haggadah was an interactive interpretation of the Scriptures by means of the free use of the text to explore its inner meaning. It was part of the devotional practice of the Jews in the days of Jesus.

The ancient practice of Lectio Divina (Divine Reading) - the prayerful reading of Scripture - is being rediscovered and renewed in our time. Notice that it is a prayer tradition. We need to distinguish Lectio Divina from Bible or Scripture study, which provides a solid conceptual background for the practice of Lectio Divina. Scripture study is a way of exploring the stories and teachings of a religious tradition through analysis of its sacred texts. Lectio Divina is a contemplative practice that is a direct way of connecting to and relating with God.

Come join us as we continue the celebration of Easter to Pentecost with 6 sessions of the prayer of Lectio Divina and Centering Prayer. Join Deacon Dom and our community on Tuesday nights from 7pm to 8pm. Location: Chapel. To sign up for class, please email: dominic@SMSeminary.com
