Dear Brothers and Sisters in Christ,

Today, we gather with grateful hearts to celebrate and bless all mothers—those who gave us life, those who raised us, and those who have nurtured us in faith, love, and strength. On this Mother's Day, we honor not only biological mothers but also spiritual mothers, grandmothers, godmothers, and all women who reflect the tender and selfless love of God.

A mother's love often mirrors the love of Christ—patient, sacrificial, and enduring. As the Book of Proverbs says, "Her children rise up and call her blessed" (Proverbs 31:28). We thank God for the gift of mothers and ask His abundant blessings upon them today and always.

I would also like to take a moment to share some exciting news: our church has recently installed a new sound system. This improvement is part of our ongoing commitment to enhancing the worship experience for everyone—whether you're seated in the front pew or the very back. You'll notice clearer speech, balanced music, and more consistent sound throughout the sanctuary. This upgrade is made possible by your continued support and generosity, for which I am deeply grateful.

We hope this new system helps you better hear the Word of God and participate more fully in the Mass and sacraments. If you notice any issues or have feedback, please don't hesitate to let us know. Your voice matters—both in prayer and in helping our parish grow. On this beautiful day, may our Blessed Mother Mary intercede for all mothers and women in our community. May God continue to bless you with grace, peace, and joy.

With love in Christ,
Fr. Christian

GOALS AND GIVING

Your Generosity at Work! Your faithful giving makes a difference in our parish community. Thanks to your generosity we have:

- Installed dedicated 20-amp circuits and 8 additional 20amp GFCI outlets/receptacles for the PLC kitchen.
- Installed new access control for the vesting sacristy.
- Hired a part-time evening and Saturday receptionist.
- Hired a part-time plant assistant to support campus operations.
- Received a \$2,250 donation allowing us to move forward with the Bell Tower Spotlights project.

As we continue to grow and serve, we invite you to consider a gift toward current projects that support our mission.

- Sound System – Estimate \$205,200. Fall Festival proceeds and donations total \$152,101. We received a \$5,000 donation in March. The remaining balance of \$53,099 will be paid through additional donations and parish savings. Installation is scheduled for the week of April 28th.
- Rectory Generator – Cost Estimate \$20,000
- Church Organ Repairs – Cost Estimate \$3,700
- Church Portico & Main Entrance LED Conversion – Cost Estimate \$2,800
