Dear St. Edward Community,

On this beautiful day of Trinity Sunday, we are invited to reflect on one of the most profound mysteries of our Christian faith: the Holy Trinity—Father, Son, and Holy Spirit. While the concept of the Trinity is beyond full human comprehension, it is essential to our understanding of God and His relationship with us. The Trinity reveals that God is a communion of love, always in relationship with Himself and with us. The Father, the Son, and the Holy Spirit work together in perfect harmony for our salvation, and this divine unity invites us to experience that same love and unity in our own lives.

As members of the St. Edward community, we are called to reflect the unity and love that exists within the Trinity. Just as the Father, Son, and Holy Spirit work in perfect relationship with each other, so too are we called to live in relationship with one another in this faith community. Our mission is to build a parish that is centered on love, mutual respect, and support—where each person, as a unique creation of God, is valued and welcomed.

The Trinity also invites us to consider how God is present in every part of our lives. The Father creates, the Son redeems, and the Holy Spirit sanctifies. In our daily lives, we are constantly called to encounter God in all these ways. As we go about our work, our families, our challenges, let us remember that God is present, guiding, and empowering us through His Triune presence. We are never alone.

Let us, then, renew our commitment to live out the love of the Trinity—loving each other as God loves us, in unity, grace, and truth. May our community be a reflection of this divine love, shining light in a world that so deeply needs it.

With prayers and blessings,

*Father Christian*

# ST. EDWARD CATHOLIC SCHOOL

Dear St. Edward Catholic Church Community,

The final numbers are in! As you may remember, St. Edward Catholic School hosted our Gala event at the beginning of May. This was a particular accomplishment as the Gala had been on hiatus since the 2020 Covid shutdown. I am joyful to share that our Casino Night Gala, under the masterful leadership of our Gala Committee, raised \$58,742.59 total and netted \$49,119.95! These funds will be used both to help update our Computer Lab as well as for general support in maintaining the high-quality Catholic education that we provide.

This success would not have been possible without the assistance of the parish community. I want to personally thank each of you who advertised, donated, sponsored, supported, volunteered, and attended. From Fr. Christian and Fr. Thomas, the deacons, the Knights of Columbus and every parishioner in between, YOU are a huge part of the gala's success. The gala has been a longstanding tradition at St. Edward Catholic School and we are thrilled to have it back and to have the parish's support.

In these times where we continue to hear parents' concerns about the educational opportunities available to their children, we here at St. Edward Catholic School are committed to offering a Catholic Classical educational model that is based in God's plan on how children naturally learn through their innate curiosity about creation and truth. By using a faith first mindset which aligns with a child's developmental stages, we are creating lifelong learners with strong moral foundations and exceptional critical thinking skills. Thank you for supporting this important mission.

As we head into the 2025-2026 school year, I want to invite each and every one of you to join us in our year's focus of "Growing in Holiness" by attending school events, touring our school, and speaking with our school families. We want you to witness the amazing work happening here at St. Edward Catholic School so that you can see what your generosity and support is cultivating in our students!

In Christ,  
Erin Makel, M.Ed. Principal, St. Edward Catholic School
