*"...for whoever exalts himself will be humbled, and the one who humbles himself will be exalted."*

LUKE 18:14

Pride and ego are the root causes of most of our sins. Thinking your time is so valuable or your talent is better than anyone else or your money gives you status in another way of making those things "gods" before God. Pride is the opposite of humility. Remember, all that we have and all that we are is a gift from God. We should be humbled by God's incredible generosity and be grateful for all we have been given. Ultimately, gratitude leads us to humility.

## *Pastor's Column October 25 - 26, 2025*

Next Sunday is All Souls Day. On that day our thoughts naturally turn to our loved ones who died over the years – and to all the faithful departed. All Souls Day – and the whole month of November – is a special time for Catholics to pray for all those who have died. It is our firm belief that God can and does use our prayers to help our loved ones get to Heaven.

That said, I want to turn my attention to the most important prayer we can offer for someone who dies – the Funeral Mass. The Holy Mass is the most powerful prayer we have; thus the Funeral Mass is the most powerful prayer we can offer for a loved one who has died. While other prayers – such as those said at the Funeral Home during the Wake or at the graveside before burial – are also important, they pale in comparison to the Funeral Mass.

I write this because it seems that a growing number of Catholics are being buried without a Funeral Mass. On many occasions, our priests are asked simply to 'say a few words' or conduct a brief service at the Funeral Home or cemetery when someone dies. While there may at times be good reason for this, it should never be considered the norm for a Catholic Funeral.

The importance of the Funeral Mass is probably best understood by considering what Catholics believe about death. We believe that a person who dies with God's forgiveness and in His grace may still have some attachments to sin from which they need to be purified. This process of purification is what we call purgatory – during which God mercifully 'purges' any imperfection from a person's soul.

In His great love for us, God allows us to assist our departed brothers and sisters through this process by means of our prayers. Being the Sacrifice of Christ Himself, made present in an unbloody manner upon the altar, the Holy Mass is by far the best prayer by which we can help our loved ones through purgatory and into Heaven. This is why we get Mass Cards (to have Masses said for our loved ones), and it's why the Funeral Mass is the most important part of a Catholic Funeral.

Indeed, the Funeral Mass is so important that our parish asks no offering or fee for it. All that is asked is that the family cover the cost of the music for the Funeral Mass – a cost that we will gladly waive if it is any kind of hardship. No one will ever be denied a Funeral Mass in this Church for a financial reason. The Funeral Mass is much too important.

Please know that I don't want to make any family that did not have a Funeral Mass for a loved one feel badly. My guess is that you either had a good reason or were simply unaware of the importance of a Funeral Mass. In such a case, why not list the names of your loved ones on your All Souls envelope, so they will be included in the All Souls Novena of Masses. You could also take a Mass intention on any day that a Mass is available in our Church – as someone does when they get a Mass Card – or enroll them in the Purgatorial Society, where they are joined to a group of souls that are prayed for in twenty Masses. The standard offering – again an optional one – is \$10. While such a Mass is not a Funeral Mass per se, it still has all the merits of the Holy Mass and, as such, is a powerful prayer for your loved one. You may notice that I have such Masses said for all the deceased pastors of this Church on the anniversary of their deaths – and for all the priests who served in this parish on Holy Thursday. It is a way in which our parish continues to offer the powerful prayer of the Holy Mass for those priests who served here over the years.

Finally, know that our parish will celebrate a special Mass at 1:30 PM next Sunday, All Souls Day. This Mass is offered for all of our parishioners who died in the past year. It is one way we try to make sure that each of them has the Holy Mass offered for them.

Please remember the importance of the Funeral Mass when arranging – or pre – arranging – a loved one's Funeral. Remember it is the most important and powerful part of a Catholic Funeral, and does a great deal to help our loved ones on their way to Heaven.

Please also remember to pray that daily Hail Mary for me – and be assured of my prayers for you.

**Have a great week!**

**Fr. John**

P. S. Because All Saints Day falls on a Saturday this year, we are dispensed from the obligation to attend Mass that day.

### *Congratulations, Sister Marianne!*

Sister Marianne Mc Cann, MPF, has been elected Provincial Superior of the St. Lucy Province of the Religious Teachers Filippini.

As Provincial Superior, Sister Marianne will oversee all the Filippini Sisters working in New Jersey and the surrounding area. Her election is a sign of the respect and trust her sisters have in her.

We congratulate her on this – and assure her of our prayers as she takes on this great responsibility.

We will certainly miss Sr. Marianne as she takes on this office and thank her for her service as superior of our parish convent these past two plus years.

Know that Sister Margaret Mary and Sister Barbara will remain as teachers in our school, and Sister Luciana as our parish Youth Minister.

## Gospel Today

Thirtieth Sunday in Ordinary Time / Luke 18:9-14

Jesus told a parable about one man who thought he was better than another man. Two men were in the temple praying. The pharisee exalted himself, boasting to God of how much better he was than the tax collector. Meanwhile, the tax collector stood alone, with bowed head, and humbly prayed that God would forgive his sins.
