

Small Group Discussion Questions

SESSION 1: WHY COMMUNITY?

- Give a short introduction of yourself and what brought you here to this small group.
What do you hope for or want from being in a group like this?
- What types of community did you have growing up?
Has this changed over the years?
- Fr. PJ said that we are losing the art of face-to-face conversation.
Are there people in your life that you have regular conversation with *in person*?

- What types of community do you currently have in your life?
What good do these communities bring you?
- Fr. PJ said that we are losing the art of face-to-face conversation due to the substantial reliance on digital communication (smartphones, social media, etc.) Do you see this in your own life or in the lives of those you love?
- Do you notice things in your life that might hinder you from having regular conversation with others? (busyness, technology, people living differently or on very different schedules, etc.)
- Paul wrapped up the session by saying “You can’t find true happiness on your own, but in relationship with GOD and each other.”
Can you relate to what Paul is saying?
- Is there anything that was said in this session that stuck out to you?
