

2026 Bishop's Appeal Payroll Deduction Form

I understand the needs in our diocese are great, and I wish to participate in the Bishop's Appeal in support of the vital ministries of our diocese. I understand that my commitment is not legally binding. However, it is viewed as a strong indication of my charitable intent and a reflection of my faith. The contribution will begin with the payroll check on March 13, 2026, and end on September 30, 2026. My gift is tax-deductible to the full extent of the law, and no goods or services were provided for my contribution.
