

Dear Incoming First Grade Families,

The end of the school year is upon us! I know how hard all of our Kindergarteners have worked all year, and I am looking forward to meeting them next year in first grade.

This packet is filled with many different, engaging, and fun reading, phonics, and math activities. Over the summer vacation, I strongly recommend that you set time aside to practice reading and math to ensure that we continue to progress in first grade. You can return this practice packet on the first day of school. Have a wonderful summer break! Looking forward to hearing all the fun you had when we come back.

Love,  
Mrs. Pallitto
