

Dear Parents,

While you and your children are enjoying summer vacation, please remember that it is important to continue reading and working on math skills. Your child should choose two books at their reading level that they are interested in and complete the Summer Book Report for one of those books. The book report will be collected on the first day of school.

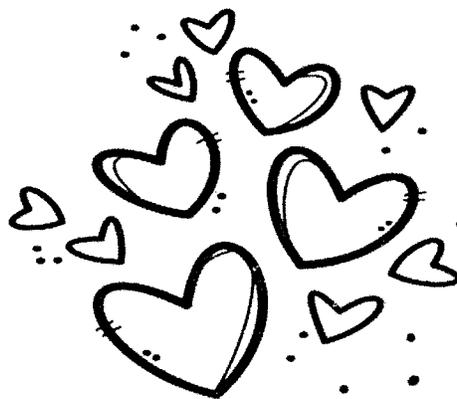

Here are some Math websites that you can use:

- Math is Fun: <https://www.mathisfun.com>
- Mr.Nussbaum: <https://mrnussbaum.com>
- Sheppardsoftware: <https://www.sheppardsoftware.com/math.htm>
- Math Playground: https://www.mathplayground.com/grade_1_games.html
- Arcademics: <https://www.arcademics.com>

Have a great summer!

Mrs. McCann

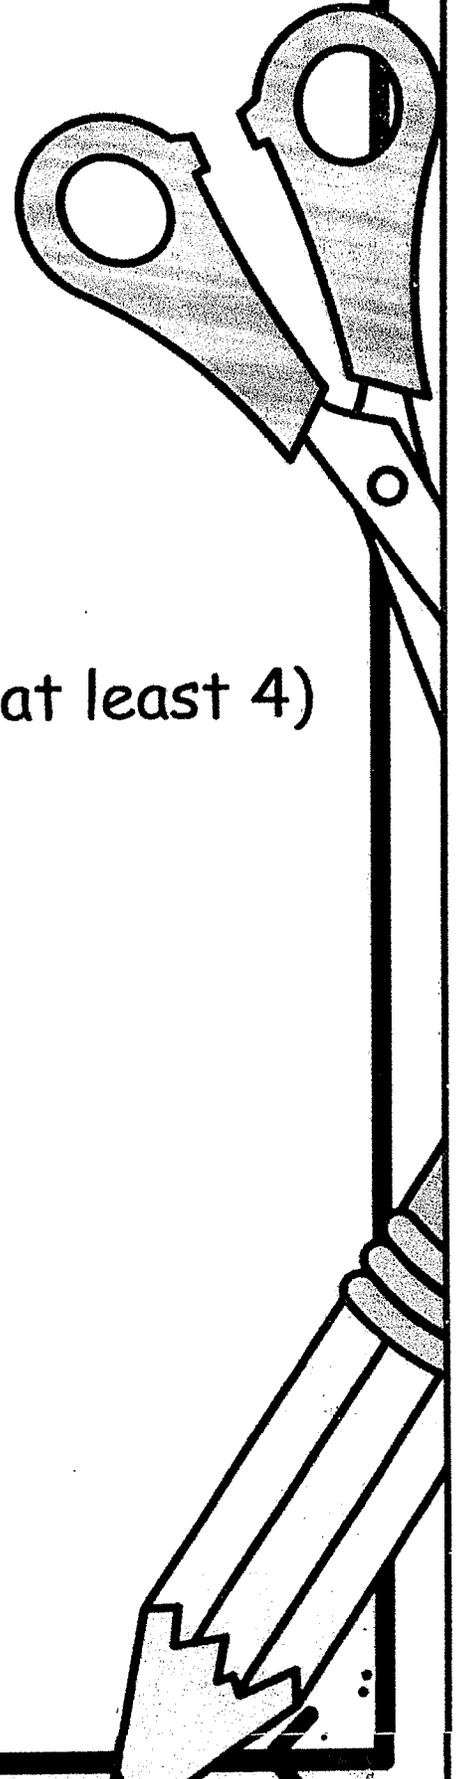

Mrs. Frame
