AUDIO ISSUES IN THE CHURCH AND NARTHEX

We are very thankful for your continued patience! The audio technicians were here this week to begin the next phase of improving our sound system. A reminder that you can check out the 10 AM Sunday Mass on our YouTube page to hear the readings and homily if you were unable to hear clearly during Mass.

THE BOOK OF LIFE

As has been our custom, in the month of November we will place our Book of Life within the church to remind us of those we love who have gone before us. Once again, because of COVID-19 concerns, we are unable to have the Book of Life in the Narthex during the month of October for you to add the names of your loved ones. Instead, we ask that you **email Nilla** (by November 1) the names of your loved ones and they will be added to our Book of Life (or speak with Sarah before/after Mass).

THE COMMEMORATION OF ALL THE FAITHFUL DEPARTED (ALL SOULS)

Our November 2, 7PM Mass will be offered for all of the faithful departed who have died this year. Unfortunately, due to COVID-19, we cannot offer a reception following our Mass. Adoration of the Blessed Sacrament and Confession will be available from 6 PM - 6:45 PM. Doors will open at 5:40 PM. Please note that we continue to be limited in our capacity, and so we advise you to come early if possible.

THE CHURCH OF GOD IS CONVOKED IN SYNOD

SYNOD 2021-2023: JOURNEYING TOGETHER

-Communion-Participation-Mission-

“Synod” is not a familiar word for most Catholics. It’s a Greek word, basically meaning to “walk with,” or “journey together.” Throughout our history, it’s been used to refer to gatherings of the Church to “walk with” one another and with the Holy Spirit, to read “the signs of the times” and discern in a spirit of prayer how the Church is being called to respond. The Church is gathering around this question:

A synodal Church, in announcing the Gospel, “journeys together.”

How is this “journeying together” happening today in your local Church?

What steps does the Spirit invite us to take in order to grow in our “journeying together?”

With this convocation, Pope Francis invites the whole Church to question itself on synodality: a decisive theme for the life and mission of the Church.

The opening of the synodal path in preparation for the 2023 Synod took place October 3 at St. Peter’s Basilica in Rome. The homily of Pope Francis set out his hopes and expectations for the Synod: “Celebrating a Synod means walking on the same road, walking together. Let us look at Jesus. First, he encounters the rich man on the road; he then listens to his questions, and finally he helps him discern what he must do to inherit eternal life. Encounter, listen and discern. I would like to reflect on these three verbs that characterize the Synod.”

In the coming weeks the Diocesan Synod Committee will send to our Parishes, Catholic organizations, and other groups and institutions an outline of the process the Diocese will follow to encourage the broadest possible participation in the consultation leading up to the Synod. We pray for God’s blessing on this important initiative of Pope Francis, and our Diocesan response.

As always, to stay up to date on events and news in our diocese, please visit www.hamiltondiocese.com

“Without the Spirit, there is no synod.”

“I am certain the Spirit will guide us and give us the grace to move forward together, to listen to one another and to embark on a discernment of the times in which we are living, in solidarity with the struggles and aspirations of all humanity.”

-Pope Francis
