Parishioners are welcomed who are interested in advancing their spiritual growth and meeting with men and women of good will who believe in serving those in need and bringing them closer to God.

In a few weeks, you will be asked to participate in a postcard initiative aimed at growing this community and the Catholic presence. To do this the Florida Conference of Catholic Bishops has developed a postcard to be distributed and completed in the pews during weekend Masses by parishioners. Pope Francis said in his address to the Joint Session of the US Congress in 2015, "Each son and daughter of a given country has a mission, a personal and social responsibility." Thus, we are all called to participate in public life and apply Gospel values to our political activities.

A relationship of faith and commitment exists between the Catholic Church and its members and the public, whether they are children, young people, adults or elderly. Sexual abuse in this context, or any other relationship, is a matter of grave concern. Knowledge of such abuse requires a special response in order to facilitate the healing process and assure the safety of the community. With this in mind, The Diocese of Pensacola-Tallahassee is committed to healing the hurting hearts of sexual abuse victims and has established Victims Assistance Coordinators, experienced and trained counselors. These coordinators are available to help persons who have been sexually abused by a priest, deacon or other church personnel. VICTIM ASSISTANCE COORDINATORS: Pensacola/Ft. Walton Beach area: Dr. Lewis Makarowski, PhD, P.A. (850)477-7181. Tallahassee/Panama City area: James Gagnon, MSW, LCSW (850)877-0205.

For Spanish speakers - en Espanol: Deacon Santiago Molina, (850)627-2350. Diocesan Victim Assistance Hotline: (850)435-3536
