Deacon's Blog

Encouragement.

"In the movie *Shadow of the Hawk*, a young couple and an Indian guide are making their way up a mountainside. At one point, the young woman slumps to the ground and says, 'I can't take another step.' The young man lifts her to her feet and says, 'But, darling, we must go on. We have no other choice.' She shakes her head and says, 'I can't do it.' Then the Indian guide says to the young man, 'Hold her close to your heart. Let your strength and love flow out of your body into hers.' The young man does this, and in a few minutes, the woman smiles and says, 'Now I'm ready. I can go on.'"

"We can all relate to the incident. There have been times in life when we, too, thought we couldn't go on. Then someone held us close to their heart and let their strength and love flow into us."¹

"Do I take the time to drive a friend somewhere when I am given the opportunity? Am I the kind of friend that will go out of my way to help them get groceries? Do I believe that doing so will make a difference in their life?"

"This encouragement is what we must commit to do for one another."

ST. GIUSEPPE MOSCATI: DOCTOR TO THE POOR

The inspiring true story of the holy Franciscan priest and theologian who won a famous debate against the Dominicans in the thirteenth century, in which he defended Our Lady's great privilege of her Immaculate Conception. Filmed in beautiful ancient monastery locations in Europe, Scotus is revealed as a humble and courageous apostle of the Faith against the oppressive anti-Catholic government in power.

FORMED NOW: HOLY HEROES AND THE FORMATION OF CHILDREN

A tragic consequence of sin is human division, something we all face in one way or another. In this video, Dr. Tim Gray and Dr. John Sehorn discuss how we can invite Christ into those situations of brokenness.

LISTEN

SCIENCE, THE ORIGIN OF THE UNIVERSE, & GOD BY FR. ROBERT SPITZER

All too often, science is falsely pitted against Faith to disprove the tenants of Christianity. In this informative talk, Fr. Robert Spitzer, SJ—expert in physics, philosophy, and theology—debunks this powerful myth as he discusses the Big Bang and the origin of the universe with sound reason, credible science, and faithful theology. This talk is a must-listen for anyone wrestling with the biggest questions regarding science and Faith.

A relationship of faith and commitment exists between the Catholic Church and its members and the public, whether they are children, young people, adults or elderly. Sexual abuse is this context, or any other relationship, is a matter of grave concern. Knowledge of such abuse requires a special response in order to facilitate the healing process and assure the safety of the community. With this in mind, The Diocese of Pensacola-Tallahassee is committed to healing the hurting hearts of sexual abuse victims and has established Victims Assistance Coordinators, experienced and trained counselors. These coordinators are available to help persons who have been sexually abused by a priest, deacon or other church personnel. VICTIM ASSISTANCE COORDINATORS: Pensacola/Ft. Walton Beach area: Dr. Lewis Makarowski, PhD, P.A. (850)477-7181. Tallahassee/Panama City area: James Gagnon, MSW LCSW (850)877-0205.
