8th Sunday in Ordinary Time

We move from the Sermon on the Mount which has been our text for the Sundays of Ordinary Time, to the Sermon on the Mount which is our text for Ash Wednesday! Though we recognize the readings for Ash Wednesday, we often think of them as marking out the season of Lent, but it's still part of the great Sermon.

When you think of Lent, what do you imagine? Perhaps it's a childhood memory about giving up sweets. Perhaps it's an adult memory that is more about the changes of color in the church. The word itself comes to us from a word that means, "spring." And when we think of spring we imagine new growth, rain (those April showers), and shifting from the colder days of winter to the beginning of warmth. In the northern hemisphere we also think about the days getting longer—more light.

In the early Church Lent was a time of preparation for those who would be baptized at Easter. This season gradually got lengthened until it became the 40 days we think of today.

Sometimes we think of Lent as a time to get back on track—to pick up the slack in our spiritual lives. We might do something extra in terms of setting aside time for prayer, or we might eat more simply. Some people make a greater effort to attend weekday Mass or Stations of the Cross during Lent.

The reading for Ash Wednesday sets up the three pillars of Lent for us: Prayer, Fasting, and Almsgiving. We might think of prayer as simply being more attentive to our relationship with the divine. Fasting can be imagined as emptying ourselves so that there is room in our life for God. And almsgiving places a focus on remembering our responsibility as Christians to those in need.

What will you do this year?

The church asks us to abstain from eating meat on Ash Wednesday and the Fridays of Lent. This simplifying of our lives should also put us in touch with those who can't afford the luxury of eating meat. And we are asked to fast (eating only one full meal) on Ash Wednesday and Good Friday. Those are the basics, but there are ways we can use these to better shape our lives.

For example, I remember Lenten seasons when I didn't eat meat for the whole 40 days of Lent. That meant I had to plan and be more attentive. It was actually a great practice because it made me focus on what I often take for granted.

I remember another Lent when I was living in the same house as Father Leo Coughlin who recently died. He placed a purple cloth over his tv set and didn't watch tv for the entire season. It was a way for him to focus on a more intense spiritual journey rather than surrendering to the great time waster that tv had so often been.

Be creative! What will you do? Perhaps these weeks with the Sermon on the Mount have already given you ideas. Love your enemies? Do good to those who hate you? Become poor in spirit? Just a few ideas that spring to mind.

Whatever you decide to do, I invite you to be intentional. To think about something that will improve your life or deepen your journey and to do it.

The way we enter into Lent also can have a profound impact on what we see at Easter. So choose, plan, and do!

Whatever you do, may this season be one of blessing for you and for the lives of those around you.  
Blessings, Fr. Bob

## ASH WEDNESDAY - Special Collection

Dear Sisters and Brothers in Christ,

During the forty days of Lent as we begin our journey to the foot of the cross we may ask ourselves, "How can I develop a closer relationship with Christ?" "What will I sacrifice during Lent?" "What can I do that will benefit the less fortunate?" These questions are answered by the Church which asks us to pray, fast and give alms, a tradition that finds its roots in the Old Testament.

Our first call is to prayer. Lent is essentially an act of prayer spread over 40 days. Prayer sustains and nurtures our relationship with God. It is a process of listening to God's daily call, then responding. Without prayer, personal and communal, this relationship is diminished, sometimes to the point of complete silence on our part.

Fasting, a form of penance, and Jesus' second call, has been a consistent part of our Catholic tradition. By fasting and self-denial, by living lives of moderation we have more energy to devote to God's purpose and a better self-esteem that helps us to be more concerned with the well-being of others. Voluntary fasting from food creates in us a greater openness to God's Spirit and deepens our compassion for those who are forced to go without food.

The third part of the Lenten tradition is almsgiving. We are asked to reach out in charity. As we experience weakness and suffering during Lent, we will be renewed in our compassion for those who are hungry, suffering or otherwise in need. It is about more than throwing a few extra dollars in the collection plate; it is about reaching out to others and helping them without question. By doing this we enable others to experience God's unconditional love.

Each year the Annual Ash Wednesday Collection benefits Catholic Charities of Southern Nevada. Supporting the efforts of Catholic Charities not only gives us the opportunity to follow our Lenten traditions, but to put into action the Corporal Works of Mercy.

*To feed the hungry:* One in six seniors in Southern Nevada struggles with hunger. Catholic Charities'

Meals on Wheels Program serves more than 2,100 isolated seniors every day. St. Vincent Lied Dining Facility serves a free meal every day of the year to hundreds of hungry men, women, and children. The Hands of Hope Community Food Pantry provides supplemental groceries to thousands of families that struggle each month to make ends meet.

*To shelter the homeless:* Hundreds of homeless individuals dealing with mental health and/or addiction problems are given shelter at Catholic Charities each day. Your donations will provide the necessary funds to hire much-needed case managers, who provide one-on-one assistance to individuals for a successful transition from a homeless situation to becoming self-sufficient.

*To give alms:* Whether struggling in poverty, with homelessness, becoming homebound, or adjusting to life as a refugee, Catholic Charities provides help, hope and transformation in the lives of more than

100,000 men, women, and children each year through your alms giving.

Pope Francis reminds us that Lent is not a time to be sad, but gazing at that horizon of love and opening our hearts, allowing that these desires spring from something greater... leading to rich and varied works of mercy toward needy brothers and sisters."

This Lent, as we strive toward self-discipline, instead of the typical "*giving something up for Lent*," let us instead "*do something positive*" and take a sincere interest in the well-being of our sisters and brothers in need and join me in support of Catholic Charities of Southern Nevada.

Remembering you in prayer, I remain

Sincerely yours in Christ,

Most Reverend Joseph A. Pepe, D.D., J.C.D.  
Bishop of Las Vegas
