Feast of St. Blaise

The Feast of Saint Blaise is this Sunday, February 3rd. Saint Blaise was a bishop and martyr who lived in the fourth century in Turkey and Armenia. For a time Blaise lived in a cave to escape persecution.

On his feast the Church recalls a miracle cure associated with him and celebrates the blessing of the throats with candles. Blaise apparently saved the life of a boy who was choking on a fish bone.

The saint said that anyone who lit a candle in his memory would be free of throat infections or ailments thus candles are used in the traditional throat blessing.

After all the Masses this weekend, candles will be crossed against the throat of those wishing to have their throats blessed. This prayer will be said by the priest/lay minister:

Through the intercession of Saint Blaise, bishop and martyr, may God deliver you from every disease of the throat and from every other illness. In the name of the Father, and of the Son, and of the Holy Spirit. Amen.
