REGISTERED OWNER: CEDE & CO.

PRINCIPAL AMOUNT: ONE HUNDRED FORTY THOUSAND AND NO/100 DOLLARS

ON THE MATURITY DATE specified above, SOUTH BUDA WATER CONTROL AND IMPROVEMENT DISTRICT NO. 1 (the "District"), being a political subdivision of the State of Texas, hereby promises to pay to the Registered Owner set forth above, or registered assign (hereinafter called the "registered owner") the principal amount set forth above, and to pay interest thereon calculated on the basis of a 360-day year of twelve 30-day months, from the date of initial delivery, payable on February 1, 2021 and semiannually on each August 1 and February 1 thereafter to the maturity date specified above, or the date of redemption prior to maturity, at the interest rate per annum specified above; except that if this Bond is required to be authenticated and the date of its authentication is later than the first Record Date (hereinafter defined), such principal amount shall bear interest from the interest payment date next preceding the date of authentication, unless such date of authentication is after any Record Date but on or before the next following interest payment date, in which case such principal amount shall bear interest from such next following interest payment date; provided, however, that if on the date of authentication hereof the interest on the Bond or Bonds, if any, for which this Bond is being exchanged or converted from is due but has not been paid, then its Bond shall bear interest from the date to which such interest has been paid in full. Notwithstanding the foregoing, during any period in which ownership of the Bonds is determined only by a book entry at a securities depository for the Bonds, any payment to the securities depository, or its nominee or registered assigns, shall be made in accordance with existing arrangements between the District and the securities depository.

THE PRINCIPAL OF AND INTEREST ON this Bond are payable in lawful money of the United States of America, without exchange or collection charges. The principal of this Bond shall be paid to the registered owner hereof upon presentation and surrender of this Bond at maturity or upon the date fixed for its redemption prior to maturity at the designated office for payment of BOKF, NA (the "Paying Agent/Registrar") in Dallas, Texas. The payment of interest on this Bond shall be made by the Paying Agent/Registrar to the registered owner hereof on each interest payment date by check or draft, dated as of such interest payment date, drawn by the Paying Agent/Registrar on, and payable solely from, funds of the District required by the order authorizing the issuance of the Bonds (the "Bond Order") to be on deposit with the Paying Agent/Registrar for such purpose as hereinafter provided; and such check or draft shall be sent by the Paying Agent/Registrar by United States mail, first-class postage prepaid, on or before each such interest payment date, to the registered owner hereof, at its address on the close of business on the fifteenth calendar day of the month next preceding each such date (the "Record Date") on the Registration Books kept by the Paying Agent/Registrar, as hereinafter described. In addition, interest may be paid by such other method, acceptable to the Paying Agent/Registrar, requested by, and at the risk and expense of, the registered owner. In the event of a non-payment of interest on a scheduled payment date, and for 30 calendar days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if any when funds for the payment of such interest have been received from the District. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 calendar days after the Special Record Date) shall be sent at least five business days prior to the Special Record Date by United States mail, first-class postage prepaid, to the address of each registered owner as it appears on the Registration Books at the close of business on the last business day next preceding the date of mailing of such notice.

ANY ACCRUED INTEREST due at maturity or upon the redemption of this Bond prior to maturity as provided herein shall be paid to the registered owner upon presentation and surrender of this Bond for payment at the designated office for payment of the Paying Agent/Registrar. The District covenants with the registered owner of this Bond that on or before each principal payment date, interest payment date, and any redemption date for this Bond it will make available to the Paying Agent/Registrar, from the "Interest and Sinking Fund" created by the Bond Order, the amounts required to provide for the payment, in immediately available funds, of all principal of and interest on the Bonds, when due.

IF THE DATE for any payment due on this Bond shall be a Saturday, Sunday, a legal holiday, or a day on which banking institutions in the city where the office for payment of the Paying Agent/Registrar is located are authorized by law or executive order to close, or the United States Postal Service is not open for business, then the date for such payment shall be the next succeeding day which is not such a Saturday, Sunday, legal holiday, or day on which banking institutions are authorized to close, or the United States Postal Service is not open for business; and payment on such date shall have the same force and effect as if made on the original date payment was due.

THIS BOND is one of a series of Bonds dated as of November 1, 2020 and authorized to be issued pursuant to the Bond Order adopted by the Board of Directors of the District in the principal amount of \$8,200,000 for the purpose or purposes authorized by the Election and the Commission Order including (1) construction, expansion and acquisition of water, wastewater and drainage facilities and (2) certain costs associated with the issuance of the Bonds. The Bonds are issued under the authority of the constitution and laws of the State of Texas, including particularly Chapters 49 and 51 of the Texas Water Code, as amended; the bond election and an order issued by the Texas Commission on Environmental Quality.

ON AUGUST 1, 2025 OR ON ANY DATE THEREAFTER, the Bonds maturing on and after August 1, 2026, may be redeemed prior to their scheduled maturities, at the option of the District, with funds derived from any available and lawful source, at a redemption price equal to the principal amount to be redeemed plus accrued interest to the date fixed for redemption. If less than all of the Bonds are redeemed at any time, the maturities of the Bonds to be redeemed will be selected by the District. If less than all the bonds of a certain maturity are to be redeemed, the particular Bonds to be redeemed shall be selected by the Paying Agent/Registrar by lot or other random method (or by DTC in accordance with its procedures while the Bonds are in book-entry-only form).

THE BONDS MATURING ON August 1 in the years 2043 and 2050 (the "Term Bonds") are subject to mandatory sinking fund redemption by lot prior to maturity in the following amounts on the following dates and at a price of par plus accrued interest to the redemption date on the respective dates and in principal amounts as follows:

<u>Redemption Date</u>	<u>Principal Amount</u>

August 1, 2047	430,000

August 1, 2049	470,000
August 1, 2050*	490,000

*Stated Maturity

THE PARTICULAR TERM BONDS to be redeemed shall be selected by the Registrar by lot or other customary random selection method, on or before June 15 of each year in which Term Bonds are to be mandatorily redeemed. The principal amount of Term Bonds to be mandatorily redeemed in each year shall be reduced by the principal amount of such Term Bonds that have been optionally redeemed on or before June 15 of such year and which have not been made the basis for a previous reduction.

NOT LESS THAN THIRTY (30) DAYS prior to a redemption date, a notice of redemption will be sent by U.S. mail, first class postage prepaid, in the name of the District to each registered owner of a Bond to be redeemed in whole or in part at the address of the registered owner appearing on the registration books of the Registrar at the close of business on the business day next preceding the date of mailing. When Bonds or portions thereof have been called for redemption and due provision has been made to redeem the same, the amounts so redeemed shall be payable solely from the funds provided for redemption, and interest which would otherwise accrue on the Bonds or portions thereof called for redemption shall terminate on the date fixed for redemption.

WITH RESPECT TO any optional redemption of the Bonds, unless certain prerequisites to such redemption required by the Order have been met and moneys sufficient to pay the principal of and premium, if any, and interest on the Bonds to be redeemed shall have been received by the Paying Agent/Registrar prior to the giving of such notice of redemption, such notice shall state that said redemption may, at the option of the District, be conditional upon the satisfaction of such prerequisites and receipt of such moneys by the Paying Agent/Registrar on or prior to the date fixed for such redemption, or upon any prerequisite set forth in such notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient moneys are not received, such notice shall be of no force and effect, the District shall not redeem such Bonds and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, to the effect that the Bonds have not been redeemed.

THE PAYING AGENT/REGISTRAR AND THE DISTRICT, so long as a Book-Entry-Only System is used for the Bonds, will send any notice of redemption, notice of proposed amendment to the Bond Order or other notices with respect to the Bonds only to DTC. Any failure by DTC to advise any DTC participant, or of any DTC participant or indirect participant to notify the beneficial owner, shall not affect the validity of the redemption of the Bond called for redemption or any other action premised on any such notice. Redemption of portions of the Bond by the District will reduce the outstanding principal amount of such Bonds held by DTC.

IN SUCH AN EVENT, DTC may implement, through its Book-Entry-Only System, a redemption of such Bond held for the account of DTC participants in accordance with its rules or other agreements with DTC participants and then DTC participants and indirect participants may implement a redemption of such Bonds from the beneficial owners.

ANY SUCH SELECTION of Bond to be redeemed will not be governed by the Bond Order and will not be conducted by the District or the Paying Agent/Registrar. Neither the District nor the Paying Agent/Registrar will have any responsibility to DTC participants, indirect participants or the persons for whom DTC participants act as nominees, with respect to the payments on the Bond or the providing of notice to DTC participants, indirect participants, or beneficial owners of the selection of portions of the bond for redemption.

ALL BONDS OF THIS SERIES are issuable solely as fully registered Bonds, without interest coupons, in the principal denomination in the case of the Bonds, of any integral multiple of \$5,000. As provided in the Order, this Bond may, at the request of the Registered Owner or the assignee or assignees hereof, be assigned, transferred, converted into and exchanged for a like aggregate amount of fully registered Bonds, without interest coupons, payable to the appropriate Registered Owner, assignee or assignees, as the case may be, having any authorized denomination or denominations as requested in writing by the appropriate Registered Owner, assignee or assignees, as the case may be, upon surrender of this Bond to the Registrar for cancellation, all in accordance with the form and procedures set forth in the Order. Among other requirements for such assignment and transfer, this Bond must be presented and surrendered to the Registrar, together with proper instruments of assignment, in form and with guarantee of signatures satisfactory to the Registrar, evidencing assignment of this Bond or any portion or portions hereof in any authorized denomination to the assignee or assignees in whose name or names this Bond or any such portion or portions hereof is or are to be registered. The Form of Assignment printed or endorsed on this Bond may be executed by the Registered Owner to evidence the assignment hereof, but such method is not exclusive, and other instruments of assignment satisfactory to the Registrar may be used to evidence the assignment of this Bond or any portion or portions hereof from time to time by the Registered Owner. The Registrar's reasonable standard or customary fees and charges for assigning, transferring, converting and exchanging any Bond or portion thereof will be paid by the District. In any circumstance, any taxes or governmental charges required to be paid with respect thereto shall be paid by the one requesting such assignment, transfer, conversion or exchange, as a condition precedent to the exercise of such privilege. The Registrar shall not be required to make any such transfer, conversion or exchange of any Bond or any portion thereof (i) during the period commencing with the close of business on any Record Date and ending with the opening of business on the next following principal or Interest Payment Date or (ii) within 45 calendar days prior to its redemption date; provided, however, such limitation on transferability shall not be applicable to an exchange by the Registered Owner of the unredeemed balance hereof in the event of its redemption in part.

WHENEVER the beneficial ownership of this Bond is determined by a book entry at a securities depository for the Bonds, the foregoing requirements of holding, delivering or transferring this Bond shall be modified to require the appropriate person or entity to meet the requirements of the securities depository as to registering or transferring the book entry to produce the same effect.

IN THE EVENT any Registrar for the Bonds is changed by the District, resigns, or otherwise ceases to act as such, the District has covenanted in the Order that it promptly will appoint a competent and legally qualified substitute therefor, and cause written notice thereof to be mailed to the Registered Owners of the Bonds.

THE BONDS are payable from the proceeds of a tax, without legal limit as to rate or amount, levied upon all taxable property within the District. The Bond Order provides that the pledge of taxes to the payment of the Bonds shall terminate at such time, if ever, as money and/or direct obligations of the United States or obligations unconditionally guaranteed by the United States in an amount sufficient to defease the Bonds is deposited with or made available to the Paying Agent/Registrar in accordance with the Bond Order.

THE BONDS are issued pursuant to the Bond Order, whereunder the District covenants to levy a continuing direct annual ad valorem tax, without legal limit as to rate or amount, on taxable property within the District, for each year while any part of the Bonds are considered outstanding under the provisions of the Bond Order, in sufficient amount, together with revenues and receipts available from other sources which are equally available for such purposes, to pay interest on the Bonds as it becomes due, to provide a sinking fund for the payment of the principal of the Bonds when due or the redemption price at any earlier required redemption date, to pay when due the other contractual obligations of the District payable in whole or in part from taxes, and to pay the expenses of assessing and collecting such tax, all as more specifically provided in the Bond Order. Reference is hereby made to the Bond Order for provisions with respect to the operation and maintenance of the District's facilities, the custody and application of funds, remedies in the event of a default hereunder or thereunder, and the other rights of the registered owners of the Bonds. By acceptance of this Bond the registered owner hereof consents to all of the provisions of the Bond Order, a certified copy of which is on file in the office of the District.

THE OBLIGATION to pay the principal of and the interest on this Bond is solely and exclusively the obligation of the District until such time, if ever, as the District is abolished and this Bond is assumed as described above. No other entity, including the State of Texas, any political subdivision thereof other than the District, or any other public or private body, is obligated, directly, indirectly, contingently, or in any other manner, to pay the principal of or the interest on this Bond from any source whatsoever. No part of the physical properties of the District, including the properties provided by the proceeds of the Bonds, is encumbered by any lien for the benefit of the registered owner of this Bond.

THE DISTRICT RESERVES THE RIGHT to issue (i) additional bonds equally secured by a pledge of taxes; (ii) bonds, notes, and other obligations of inferior liens; and (iii) revenue bonds, payable solely from contracts with other persons, including private corporations, municipalities, and political subdivisions to finance facilities needed in performing any such contracts. Reference is made to the Bond Order for a complete description of the right to issue additional obligations.

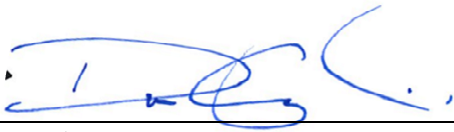

TO THE EXTENT permitted by and in the manner provided in the Bond Order, the terms and provisions of the Bond Order and the rights of the registered owners of the Bonds may be modified with, in certain circumstances, the consent of the registered owners of a majority in aggregate principal amount of the Bonds affected thereby; provided, however, that, without the consent of the registered owners of all of the Bonds affected, no such modification shall (i) extend the time or times of payment of the principal of and interest on the Bonds, reduce the principal amount thereof or the rate of interest thereon, or in any other way modify the terms of payment of the principal of or interest on the Bonds, (ii) give any preference to any Bond over any other Bond, or (iii) reduce the aggregate principal amount of the Bonds required for consent to any such modification.

THIS BOND shall not be valid or obligatory for any purpose or be entitled to any benefit under the Bond Order unless this Bond either (a) is registered by the Comptroller of Public Accounts of the State of Texas as evidenced by execution of the registration certificate endorsed hereon or (b) is authenticated as evidenced by execution of the authentication certificate endorsed hereon by the Paying Agent/Registrar.

IT IS HEREBY CERTIFIED, COVENANTED, AND REPRESENTED that all acts, conditions, and things necessary to be done precedent to the issuance of the Bonds in order to render the same legal, valid, and binding obligations of the District have happened and have been accomplished and performed in regular and due time, form, and manner, as required by law; that provision has been made for the payment of the principal of and interest on the Bonds by the levy of a continuing, direct annual ad valorem tax upon all taxable property within the District; and that issuance of the Bonds does not exceed any constitutional or statutory limitation. In the event that any provisions herein contained do or would, presently or prospectively, operate to make any part hereof void or voidable, such provisions shall be without effect or prejudice to the remaining provisions hereof, which shall nevertheless remain operative, and such violative provisions, if any, shall be reformed by a court of competent jurisdiction within the limits of the laws of the State of Texas.

IN WITNESS WHEREOF, the District has caused this Bond to be signed with the manual or facsimile signature of the President or Vice President of the Board of Directors of the District and countersigned with the manual or facsimile signature of the Secretary or Assistant Secretary of the Board of Directors of the District, and has caused the official seal of the District to be duly impressed, or placed in facsimile, on this Bond.
