## MOTHERS

The most important person on earth is a mother.

She cannot claim the honor of having built Notre Dame Cathedral. She need not.

She has built something more magnificent than any cathedral ... a dwelling for an immortal soul, the tiny perfection of her baby's body.

Mothers are closer to God the Creator than any other creature.

God joins forces with mothers in performing this act of creation.

What on God's good earth is more glorious than this:

to be a mother!

#### **Jubilee Year Invitation**

Dear Parishioners,

Happy Mothers Day to Our Lady and to All our Mothers!

Over 30 years ago I did not know who my biological mother was. I lived with my adoptive parents who were wonderful. However the pain of being orphaned as a child dominated my life? and I could not understand why would God allow this suffering in my life. I was very good at sports music yet... question why? remained.

Today, I am at peace with myself and others, I have reconciled with my history and am happy to be a priest and to give my life serving you.

I owe all of this to a series of talks I heard when I was 18. God came to seek me out and saved me. What St. Paul says is true: "God chose to save the world through the foolishness of the preaching". That's why he sent his apostles, very poor people to announce:

**Christ is risen! He is alive!**

He loves you as you are and wants to communicate the power of the Resurrection to you. He has an answer to the questions and sufferings of your life.

**Courage! God can do the impossible!**

**Come and Listen. Everyone is invited!**

Starting on May 12,  
every Monday and Thursday at 7:30 pm  
in the OLV Gym.

\*\*\*\*\*

As every year, to help so many mothers and their babies with their needs, our OLV Knights of Columbus Council will be distributing baby bottles this weekend after Masses. Please return them with your donations to the bins in the Church.

Last Sunday we had our last CCD class and this weekend our last CCD Family Mass. We thank all the teachers, assistants and especially Mrs. Evanella and Mrs. Coulter. Now that our CCD is over we invite the families to join us for any Mass in the Church.

As we crown Mary today at all Masses, may we crown Her in our souls as well. May we live our lives as children of a queen. May our homes become Her homes. (To all parishioners who will crown and honor Mary in their homes, kudos). May our hearts become HER hearts.

My sheep hear  
My voice;  
I know them,  
and they follow Me.  
John 10:27

### Mary is the **NECK**!!!

Do you remember that scene in the film My Big Fat Greek Wedding in which the Greek mothers teach the Greek girl that the Greek father is the “head” of household, but that the mother is the “neck”?

They may have been Greeks, but they were reading from a Roman script – because a similar thing was said by Pope Saint Pius X in his encyclical Ad diem illum of 1904, # 13 (and also by Saint Bernard of Sienna before him). According to Saint Pius X, the source is Jesus Christ “of whose fullness we have all received” (John i., 16), the Blessed Virgin Mary is the “neck” that connects Christ the Head to the Church as His Body.

But Mary as St. Bernard fittingly remarks is the ‘channel’ or, even, the neck, through which the body is joined to the head, and likewise through which the head exerts its power and strength on the body. For she is the neck of our Head, by which all spiritual gifts are communicated to His Mystical Body.

### Our Lady of Fatima - May 13

*“Sacrifice yourselves for sinners, and say many times, especially whenever you make some sacrifice: O Jesus, it is for love of You, for the conversion of sinners, and in reparation for the sins committed against the Immaculate Heart of Mary.”*

Our Lady spoke these words to the children of Fatima on July 13th, 1917, during the third of the six visits she would pay them.

### REQUIREMENTS FOR BAPTISM OR CONFIRMATION SPONSOR

Godparent/Sponsor must be at least 16 years old \* **Godparent/Sponsor must be in good standing with the Catholic Church.** Must be a practicing Catholic (*Attend Sunday Mass weekly*). \* Must have received the Sacraments of Baptism, Communion, and Confirmation. If married, must be married in the Catholic Church. \* If single, not living with significant other, nor married civilly only. \* **Godparent/Sponsor cannot be the candidate's parent.** Each child only requires one Godparent. If you wish to have two Godparents, there must be one female and one male. (Canon Law 872-874)

### Sacred Matrimony on Sacred ground

“ceremony” at the venue is not a valid Sacrament

For the Catholic Church the Sacrament of Matrimony is such a sacred matter that the Church requires for two Catholics to be married Sacramentally in the Catholic Church not elsewhere. All the Sacraments except Confession are always celebrated in Church. Baptism, First Holy Communion, Confirmation and the Sacred Orders (Priesthood is even celebrated at the Cathedral of a given Diocese). A Catholic priest can only officiate Sacrament of Matrimony of two Catholics on sacred grounds (Church). This wedding at the same time is a civil wedding. For more info contact Fr. Wojciech.

**Saint Isidore  
the Farmer  
May 15**

**Patron  
of  
Farmers**

One of the most beloved saints of a deeply Catholic country did not govern a diocese, write a theological masterpiece or heroically die a martyr's death. Instead, Saint Isidore of Madrid, Spain, became a holy man by plowing fields.

Isidore was born in 1070 into a peasant family, but his parents taught him to love God and hate sin. He was baptized "Isidore" in honor of the famous archbishop of Seville. When barely old enough to wield a hoe, he became a day laborer in the service of a wealthy landowner. Isidore worked for that man for the rest of his life.

Isidore married a poor but devout young woman named Maria who is now venerated as a blessed. Their only child, a son, died in infancy. After his death, they decided to live as brother and sister. They worked their farm together, in many ways just like their neighbors. But Isidore was different. He attended daily Mass before he began his workday. He prayed while he plowed. After fulfilling his obligations to the owner of his land, he and Maria often they brought food to poor and prayed with them.

During his lifetime, Isidore had the gift of miracles. A story told about St. Isidore is that he often came later to work in the fields than other laborers because he would first attend Mass in the morning. Yet his work never suffered and he always met the chores required of him. It was said two angels, one on either side of Isidore, appeared and joined their pious companion in plowing the fields. More than once he fed hungry people with food that seemed to multiply miraculously.

Isidore refused to do unnecessary labor on the Sabbath. His neighbors scoffed at his lack of business sense and mocked his piety. But they could not ignore the success of his crops, the power of his intercessory prayers, or the miracles that showed God's favor on Isidore's hard work and obedience.

### THE WEIGHT OF THE HOLY MASS

(From the Catholic Society of Evangelists Newsletter, August, 1999)

The following TRUE STORY was related to Sr. M. Veronica Murphy by an elderly nun who heard it from the lips of the late Reverend Father Stanislaus SS.CC. One day many years ago, in a little town in Luxembourg, a Captain of the Forest Guards was in deep conversation with the butcher when an elderly woman entered the shop. The butcher broke off the conversation to ask the old woman what she wanted. She had come to beg for a little meat, but had no money. The Captain was amused at the woman and the butcher. 'Only a little meat, but how much are you going to give her?', he wondered. 'I am sorry I have no money, but I'll hear Mass for you,' the woman told the butcher. Both the butcher and the Captain were indifferent about religion, so they at once began to scoff at the old woman's idea. 'All right then,' said the butcher. 'You go and hear Mass for me and when you come back I'll give you as much as the Mass is worth'. The woman left the shop and returned later. She approached the counter and the butcher said 'All right then we'll see.' He took a slip of paper and wrote on it 'I heard a Mass for you.' He placed the paper on the scales and a tiny bone on the other side, but nothing happened. Next he placed a piece of meat instead of the bone, but still the paper proved heavier. Both men were beginning to feel ashamed of their mockery but continued their game. A large piece of meat was placed on the balance, but still the paper held its own. The butcher, exasperated, examined the scales but found they were alright. 'What do you want my good woman? Must I give you a whole leg of mutton?' At this he placed the leg of mutton on the balance, but the paper outweighed the meat. A larger piece of meat was put on, but again the weight remained on the side of the paper. This so impressed the butcher that he was converted and promised to give the woman her daily ration of meat. As for the Captain, he left the shop a changed man and became an ardent lover of daily Mass. Two of his sons became priests, one a Jesuit and the other a Father of the Sacred Heart. Father Stanislaus finished the story by saying, 'I am from the Religious of the Sacred Heart and the Captain was my father. 'From this incident the Captain became a daily Mass attendant and his children were trained to follow his example. Later, when his sons became priests, he advised them to say Mass well every day and never miss the Sacrifice of the Mass through any fault of their own. If you like the story, share it with someone.

Remember too that 'a Holy Mass a day keeps the Devil away'

"What do you call a priest, a deacon, and a bishop asking for food at a restaurant?"

"Holy Orders."
