

SAOPCS Seeking Middle School Volleyball Coaching Openings 2023

St Anthony of Padua Catholic School is seeking knowledgeable, enthusiastic, and passionate individual(s) to serve as 7th/8th Grade - JV & Varsity Volleyball Coach, for the 2023 coming fall season. SAOPCS volleyball practices occur weekdays at 3:30 and games are on Mondays and Wednesdays at 4:30. Practices begin mid-August; games begin late August, and the volleyball season runs to mid-October.

This person would need to be strong in teaching volleyball fundamentals and the game of volleyball. The JV is a developmental team. This position would be ideal for a person who loves the game and wants to work with girls who do not have much experience and are willing to learn and improve their skills. The 7th/8th grade - Varsity team is our competitive team. They are striving to compete in the Greater Houston Catholic Athletic Association Volleyball League and work toward winning the GHCAA Championship.

With our season starting in August and ending in October, we do not believe this position would interfere with club coaching duties.

This is a stipend coaching position only. If you love the game of volleyball & are looking for a rewarding challenge, we would like to hear from you!

Please contact SAOPCS Athletic Coordinator - Dale Quickel – 281-296-0300 ext. 181 or e-mail at dquickel@ap.school.
