

Faith Formation & Youth Ministry Family Covenant

PLEASE SIGN AND RETURN THIS PAGE

Due to the nature of our program, it is imperative that all parents understand that students must abide by the rules of the program regarding behavior and the use of electronics.

Students will be asked to use their electronics responsibly. Failure to do so will result in confiscation of electronic devices. The device will be taken away and will only be returned to a parent at the end of a session.

Our program is run by staff members and volunteers of St. Bonaventure parish who graciously sacrifice their personal time to volunteer in our program. **Therefore, if a student requires continuous disciplinary action, we will be asking parents to sit with their child during their class.**

For the Faith Formation Program: We hold your child's safety very high. We ask that parents walk their children to/from classes, or they drop them at the turn around. Please do not ask your child to cross the parking lot (or drive). Please do not call them to you if it means passing Debbie or myself. We will not allow them to go past either of us unless we feel it is safe.

Any student who does not treat one another or the adults working with them with the utmost dignity and respect will fall to disciplinary action within our program. **We have a zero-tolerance policy for students who damage property, bully other children, speak inappropriately, or anything to that extent.**

I have read and agree to all requirements listed below.

- Attend Sunday Mass Weekly
- Pray regularly with my child and promote his/her spiritual growth
- Communicate with us regarding absences.
- My child(ren) will miss no more than 6 sessions (if in Sacramental Prep program).
- Attend First Communion Retreat (February 2026) if receiving Communion that year.
- Attend Parent meetings especially for my child's reception of Sacraments
