REFLECTION OF THE WEEK

October 26, 2025—Thirtieth Sunday in Ordinary Time—Luke 18:9-14

Every now and then readers of these reflections write letters in which they object to something. Years ago, this Gospel of Luke 18 prompted such an email. A man wrote to me: “I find it deeply offensive that you suggest we are still sinners once we are God’s sons and daughters.” His objection stirred in me a profound awareness of the paradox at the heart of our faith. Are we sinners or beloved children of God?

In this Gospel (Luke 18:9-14), a tax collector appears as one who has missed the mark. His sins have isolated him. His breast-beating is not an act of self-flagellation for pride’s sake but a heartfelt admission of his failure and unworthiness. Remarkably, Jesus honors the candid humility of the parable’s penitent.

Why? Because we are always in need of mercy, always. But even more, perhaps because on the cross,

Jesus will fully embrace a similar place of humiliation and rejection. He will enter into the most shameful, offensive place of the sinner so that we might “go home justified.”

There is a sacred tension in admitting that we are sinners and yet have profound hope. We are beloved sons and daughters of God, growing precisely through our honest acceptance of failure. When we cry, “Have mercy on us,” during Mass or when we repeat the “Jesus Prayer” in quiet moments, or in the confessional, we embrace our imperfections as fertile ground for divine grace. In doing so, we follow Christ’s example — finding true exaltation in the humble acknowledgment of our human frailty.

CHURCH ROOF FUNDRAISER

Help us restore the roof of our beloved church.

Our Church is in urgent need of **roof replacement** on both the upper and lower sections of the building. Over the years, we have done everything possible to extend the life of the existing roofing through maintenance and repairs, but it has now run its course. The upper roof has developed significant leaks and trapped moisture that make further repairs ineffective, and the lower roof has also reached its end. Replacing both roofs is essential to prevent further water damage and to preserve the beauty and integrity of our church, including its stained glass windows and historic wood structure. We hope to begin this project next summer, if we are able to raise the necessary funds. **Project cost is \$160K**

Your support will help protect this sacred space that shelters our parish community and ensure that it remains a place of worship and a beacon of peace. **Donations may be made directly** through the offertory collection at Mass or through our Parish Office. Please call 503-232-4305 for more information or Kristineg@allsaintsportland.com

Thank you for your support of All Saints Parish. Your gift makes this project possible.

TAX TIP FOR YEAR-END GIVING.

Dear Parishioners,

Did you know that taxpayers who are age 73 or older are required by the IRS to take Required Minimum Distributions (RMDs) from their IRA accounts each year?

There's a wonderful way to use this opportunity to make a difference. By contributing directly from your IRA to a qualified charity, such as All Saints, you can avoid paying federal and state income taxes on that distribution. This allows you to make a tax-free charitable gift from your IRA to support a cause close to your heart, perhaps All Saints Church and School!

Please note: to receive the tax benefits, the funds must be sent directly from your IRA administrator to the charity. Personal withdrawals followed by a check to the charity will not qualify. So make sure to contact your administrator.

"Please contact us if you wish to learn about the projects we are working on at the church."
