**REFLECTION OF THE WEEK**

**November 9, 2025—The Dedication of the Lateran Basilica - John 2:13-22**

When I was 22, I entered St. Peter's Basilica for the first time. It floored me. I could hardly take it in, its grandeur, majestic arches, vibrant colors, and the light that danced through its high windows. Somehow, amidst such splendor, I felt an overwhelming sense of belonging, as if I had finally come home.

Jesus reorients how we Catholics see sacred buildings. In today's Gospel he says, "**Destroy this temple, and in three days I will raise it up**" (John 2:13-22). His riddle implies, shockingly, that his own body is now the fundamental dwelling place of God and humanity. The temple in Jerusalem has been superseded.

In our churches today — whether they mirror the basilica's grandeur or embrace humble simplicity — we experience architectural symbols of Christ's risen body. It is no accident we call them "churches": they make visible in brick-and-mortar Christ's body which is made up of the living stones we call Christians. Each church building, like St. John Lateran in Rome, or St. Peter's, or any other, is meant to be a vibrant sign of Christ's resurrected body. We should cherish and protect our churches as places where heaven touches earth, where we, as a community, are raised to the fullness of life in Christ.

**OUR MISSION STATEMENT**

*We, the members of All Saints Parish, a Catholic community empowered by the Holy Spirit to proclaim the Good News of Jesus Christ by continuing our heritage of dedication to: ~ Celebration of the Sacraments ~ Education ~ Service ~ Outreach*

# CHURCH ROOF FUNDRAISER

Help us restore the roof of our beloved church.

**Our Church** is in urgent need of **roof replacement** on both the upper and lower sections of the building. Over the years, we have done everything possible to extend the life of the existing roofing through maintenance and repairs, but it has now run its course. The upper roof has developed significant leaks and trapped moisture that make further repairs ineffective, and the lower roof has also reached its end. Replacing both roofs is essential to prevent further water damage and to preserve the beauty and integrity of our church, including its stained glass windows and historic wood structure. We hope to begin this project next summer, if we are able to raise the necessary funds.

**Project cost is \$160K**

Your support will help protect this sacred space that shelters our parish community and ensure that it remains a place of worship and a beacon of peace. **Donations may be made directly** through the offertory collection at Mass or through our Parish Office. Please call 503-232-4305 for more information or [Kristineg@allsaintsportland.com](mailto:Kristineg@allsaintsportland.com)

**Thank you for your support of All Saints Parish. Your gift makes this project possible.**

## TAX TIP FOR YEAR-END GIVING.

Dear Parishioners,

Did you know that taxpayers who are age 73 or older are required by the IRS to take Required Minimum Distributions (RMDs) from their IRA accounts each year?

There's a wonderful way to use this opportunity to make a difference. By contributing directly from your IRA to a qualified charity, such as All Saints, you can avoid paying federal and state income taxes on that distribution. This allows you to make a tax-free charitable gift from your IRA to support a cause close to your heart, perhaps All Saints Church and School!

Please note: to receive the tax benefits, the funds must be sent directly from your IRA administrator to the charity. Personal withdrawals followed by a check to the charity will not qualify. So make sure to contact your administrator.

*"Please contact us if you wish to learn about the projects we are working on at the church."*

In a world that often emphasizes achievement over appreciation, Catholic schools have a unique opportunity to model a meaningful way of living. By cultivating a culture of gratitude, these communities can showcase the power of grace, grace that transforms stress into strength, isolation into belonging, and routine into sacred encounters.

Gratitude is not just a trendy addition to Catholic education; it's a vital path to grace, deeply rooted in scripture, tradition and a real understanding of human flourishing. As educators embrace and embody this path, they nurture resilient, joyful, and faithful communities - places where thanksgiving is abundant and God's presence is known and appreciated.

## Cremation and The Church

### Question:

Can Catholics be cremated?

**Answer:**As the practice of cremation becomes more and more common, it's important to know what the Church asks of families who have chosen this for a loved one who has died.

As the US Bishops observe on their website, "Ideally, if a family chooses cremation, the cremation would take place some time after the Funeral Mass, so that there can be an opportunity for the Vigil for the Deceased in the presence of the body."

However, if cremation takes places before the Funeral Mass, the cremated remains can be present at the Funeral Mass and the appendix to the *Order of Christian Funerals* provides adaptations for the texts and rituals that are part of the Funeral Mass and the Committal.

The primary concern is that the cremated remains should be treated with the same respect given to any human remains. The *Order of Christian Funerals* instructs, "This includes the use of a worthy vessel to contain the ashes, the manner in which they are carried, and the care and attention to appropriate placement and transport, and the final disposition. The cremated remains should be buried in a grave or entombed in a mausoleum or columbarium. The practice of scattering cremated remains on the sea, from the air, or on the ground, or keeping cremated remains on the home of a relative or friend of the deceased are not the reverent disposition that the Church requires" (no. 417).

It is becoming more and more common for parishes or diocese-sponsored cemeteries to include columbaria to house cremated remains in a way that respects Church teaching, allowing family and friends the opportunity to honor the remains of the one they have lost with dignity, reverence, and care.

Feast of the Dedication of the  
**LATERAN BASILICA**

## Dedication of the Lateran Basilica

Did you know there are churches in Rome older than St. Peter's? St. John Lateran is one of four major basilicas in the Eternal City, and it is by far the oldest. The land was donated by an ancient Roman family to the Emperor Constantine, who in turn gave it to the Church. For hundreds of years, St. John Lateran was the "mother church." Popes lived on the grounds through the 14th century. The church itself suffered from pillaging by invaders, fires, and earthquakes. It has been restored and rebuilt five times since the 300s. On this feast, we remember more than a building. We celebrate the resiliency of our faith. Though trials may come in our parishes, personal lives, and the world, the Church
