There Will Be Popcorn

“Good News” and “Not so Good News”

It's been a crazy week at Saint Mary Parish ... most of you missed the “fun”; so I'll bring you up to date. First, the “Not so Good News.” The rectory residence and office spent most of the week with no heat and it was *cold*! The rectory sump pump gave up the ghost and the basement flooded, causing the furnace to shut down. The pump is replaced now. Servpro is restoring the basement and we'll soon (I hope) have the furnace back in operation. But as I write this, my fingers are numb!

Now, the “Good News!” You're holding it ... the ***Improved Saint Mary Parish Bulletin***! This is our first issue with a new publisher. There are now four panels for parish information. Andrea Maier has the lead for panels with general parish notices, family life and youth materials. Donna Lesko is in charge of the front cover, which now can have more weekly variations. She also edits information on worship schedules and liturgical ministers. AND the new bulletin can be color *throughout*. The back panel is still for advertisers who essentially pay for our bulletins ... please support these businesses.

Donations Needed for PSR Service Project

150 Needed

150 Needed

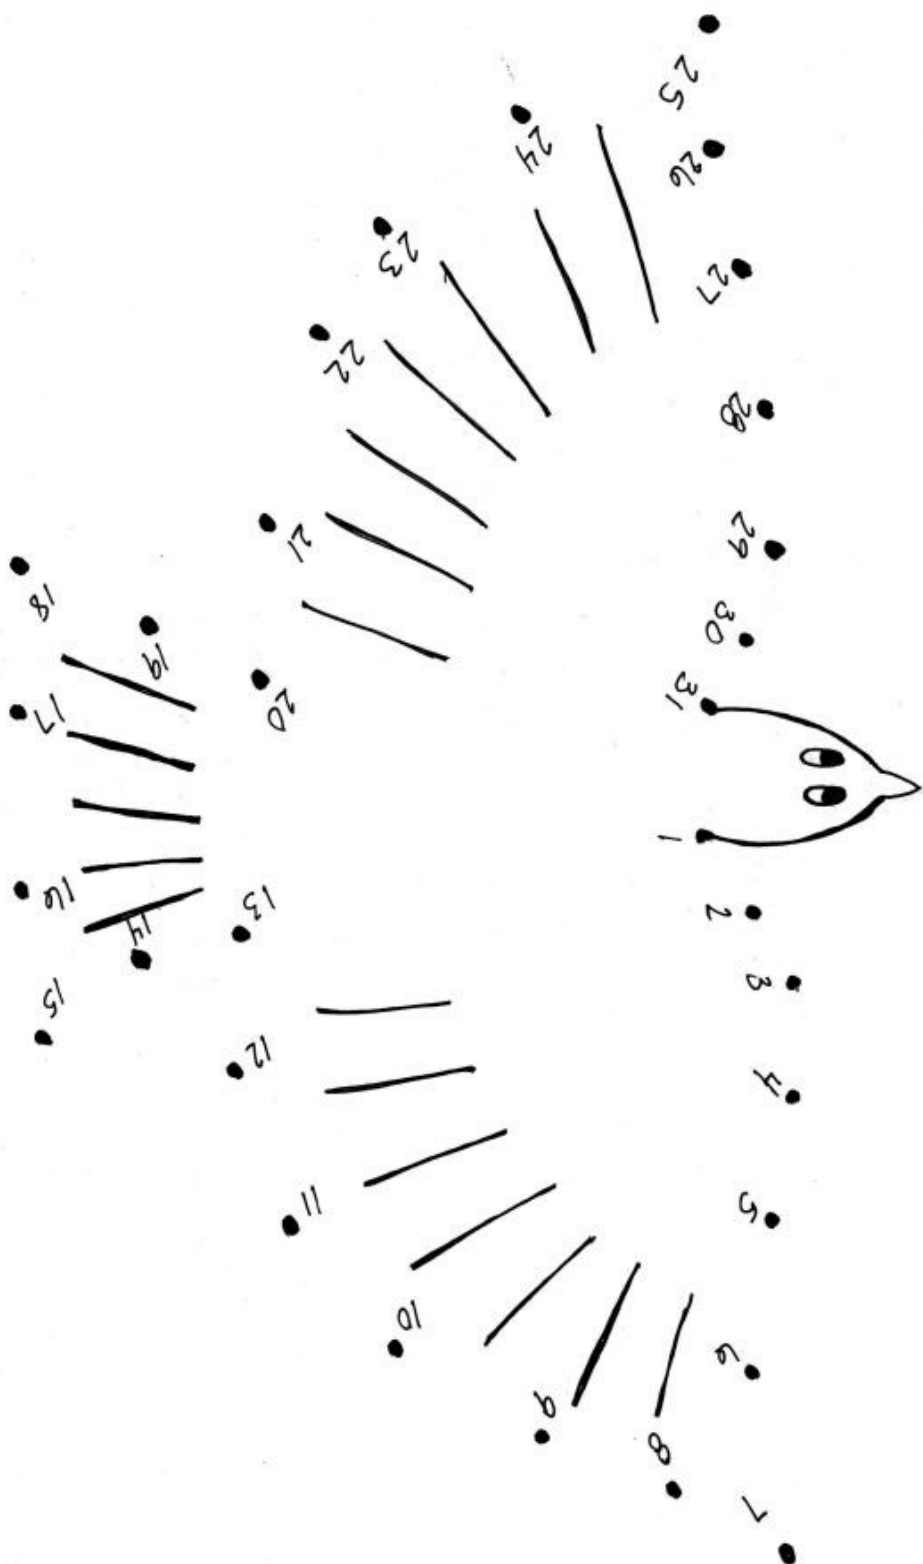

PSR is teaming up with our St. Vincent de Paul Society in order to collect men's toiletries for personal care bags. Our Confirmation students will put these bags together. They will be distributed when the SVdP group serves a meal at the men's homeless shelter later in January. The men who receive these bags are ever so grateful for them, especially in the winter months.! We are asking our PSR and parish families to please donate toothpaste, toothbrushes, men's soap and men's deodorant. **ANY BRAND WILL WORK**

Gospel

John the Baptist baptized Jesus in the river. When He was baptized, God appeared as the Holy Spirit and said that Jesus is His Son.
