November is a special month dedicated by the church for remembering the faithful departed. Traditionally the Book of Names of the Faithful Departed is available for parishioners to record the names of their loved ones who have passed. St. Mary Parish has placed a *new book* on the podium at the rear of the church for this purpose. Your loved ones listed will be remembered at the All Souls Day Masses (read below) and at daily Masses throughout the month of November.

Dear friends in Christ,

This is a wonderful weekend. Our bishop has graced our parish, with his presence. The young ones receiving the sacrament of Confirmation are the more blessed. The infusion of the Holy Spirit in their lives hopefully energize them to fuller participation in the world of evangelization, both here in our parish and in the society. Thank you bishop for creating the space in your rather tight schedule to be with us.

Please endeavor to inscribe the names of loved ones and members of our parish who have passed from this life in the book of the dead. You will find it at the back of the Church in front of the Sacred Heart grotto. We shall offer prayers for them throughout November. Eternal rest grant unto them Lord, and let Your perpetual light shine upon them.

Very respectfully,

Fr. Hilary Ike

Saints Simon and Jude

FEAST DAY: OCTOBER 28

Listed among the Twelve Apostles in the New Testament, Simon is "the Canaanite" to Matthew and Mark and "the Zealot" to Luke; Jude is "Thaddeus" to Matthew and Mark, "Judas of James" to Luke, and "Judas, not Iscariot" to John. After Pentecost, they disappear. However, according to Eastern tradition, Simon died peacefully in Edessa, while Western tradition has him evangelizing in Egypt, then teaming up with Jude, who had been in Mesopotamia, on a mission to Persia, where they were martyred on the same day. Simon is the patron saint of tanners and lumberjacks; Jude is the patron of desperate causes, possibly because early Christians would pray to him, with a name evoking Judas Iscariot, only when all else failed.
