OUR MISSION

Following the example of the Holy Family, the Staff of the Nazareth Retreat Center welcomes all with respect and openness.

We strive to create a sense of 'coming home' for each retreatant through deep listening and responding to Christ's presence among us.

We extend on-going prayer and hospitality to further the spirit of Nazareth.

THE SISTERS

The Sisters of the Holy Family of Nazareth have the mission to spread God's love through the world. The congregation is international and apostolic, with Sisters in 12 countries. The convent of the Sisters is located on the grounds of the retreat center and guests have the continual prayers of the Sisters.
