

Welcome to 2025-2026 LAC Competitive Robotics Team

<https://www.vexrobotics.com/iq/competition/viqc-current-game>

Elementary Teams

- **3rd, 4th, 5th grades** consist of 3rd, 4th, 5th grade students born after May 1, 2013.
- Do not have to be on a team with the same grade level
- **3rd, 4th, 5th grade** students may "play up" and move up to compete in Middle School Tournaments.

Middle School Teams

- **3rd, 4th, 5th, 6th, 7th, 8th grades** consist of any LAC student born after May 1, 2010.
- Do not have to be on a team with the same grade level.
- **6th, 7th, 8th grade** students may **NOT** move down to Elementary.

Registration Fee: \$100.00/child (non-refundable)

checks made payable to **Ludington Area Catholic** (please note "**ROBOTICS**" in the memo section).

☐ I have included the registration fee

☐ I have completed this form.

Turn fee & application into Mrs. Cameron

Due: Thursday, October 16, 2025 by 3:00 pm

Student (My) Name: _____

grade: 3rd 4th 5th 6th 7th 8th birth date: ____/____/20____

Mom's email: _____

Dad's email: _____

Mix and Match game consists of 3 players per team.

Team members have opportunities to play every position while at a tournament.

Students will form their teams, along with their parents.

My 1st Teammate's
name: _____

1st Teammate's grade: 3rd 4th 5th 6th 7th 8th

My 2nd Teammate's
name: _____

2nd Teammate's grade: 3rd 4th 5th 6th 7th 8th

My parents (*sign below*) and my teammate's parents agree with, and support this partnership.
Team parents need to be in sync to handle practices & tournament dates. This is vital for transportation, also.

My parent's signature: _____

Each **team of 3** students will need **one adult** that will be the contact for the team. This includes:

- * making sure that an adult is at practice to keep the team on task and focused,
- * be Mrs. Cameron's contact for the team,
- * forward any updates to the members on their team (parents and students).

There are many teams and only one teacher. Thank you for participating, everyone helps make Robotics run smoothly.

Name: _____ Cell/text: _____

I agree to be the adult (lead/contact) for this team.
