WEEKLY CALENDAR

Thought for the Week

Being the Instrument of Our Prayers

Maybe we are the answer to our own prayers or an instrument of our own prayer requests. Consider, if I pray that a friend be shown kindness. Maybe this is an invitation for me to call, send a card or invite him out to coffee. Or I might pray for a person who is grieving the loss of loved one. Maybe the answer to my pray for their grief is to visit them, and if nothing else, to sit with them, as I am able.
