Mission Statement

Professing the Gospel of Jesus Christ with the guidance of the Holy Spirit, we are inspired by the example of our patron Saint Paul, educating our children, serving others and supporting one another as loving witnesses for the Lord.

Thought for the Week

In the Shadow of the Cross

Have you ever considered that as faithful Catholics we are covered by the shadow of the cross? Regardless of the intentional or unintentional harm we have inflicted on others in the past; we are still covered in the shadow of Christ's passion, death and resurrection. When God looks upon us, all he sees is the shadow of the cross and God's abiding love. This is Grace.

Parish News

St. Paul Marco Polo

Summer is just around the corner and the sounds of a child yelling Marco while the others respond Polo will be heard in neighborhoods around town. One origin story says that when the real-life adventurer was separated from his family, they yelled Marco while searching and he responded Polo.

In this case think of St. Paul as being the family searching and you, the parishioner, as Marco. If you have moved, changed your phone number or email, your church family may not know how to reach you. Theresa Bick, a long-time parishioner, has volunteered to work on verifying parishioner information and updating our database.

What can you do to help with this project?

1. Give us a call or email us with your physical and/or mailing address, email address and phone number(s) along with the type of phone associated with the number. We are pretty sure some of you have replaced the land lines that you originally gave us when you registered with cell phones. In addition to providing this information, let us know if you are ok with your information being published as we are hoping to put together a new Parish Directory.
2. If Theresa has called and left a message for you, please call us back.

Thank you in advance for your assistance.

Pope's Appeal

"I am praying for the children and adults who were killed, and for their families. It is time to say enough to the indiscriminate trafficking of arms. Let us commit ourselves so that such tragedies can never happen again."

Pope's Prayer intention June Families

We pray for Christian families around the world; may they embody and experience unconditional love and advance in holiness in their daily lives.

Humility

Humility is not so much thinking *less* of yourself but thinking *more* of others. Consider searching for or uncovering the positives attributes of each person you come in contact with; like a private detective searching out the details of a person's life. Most likely you will be thrilled with what you discover. Each person has been born with special gifts; be the one to uncover their true God-given nature.
