**FROM FR. KUNKEL**

This coming week on Tuesday we will celebrate Valentine's Day. It is a day when cards drop through letter boxes and extraordinary messages and verses appear in newspapers. Do they all mean what they say? The same card could be bought by several different people – one could be sent because the sender was joking; one because a kind friend wanted to make sure that at least one Valentine card was received; another may be dispatched out of pity, and one, of course, because he or she really did love someone. All the same words, travelling through the postal system, arriving on the same day, yet how different the feelings and intentions of the senders. For some the words were truth – others would say that, no, they didn't really mean them.

In this weekend's Gospel we hear Jesus insisting that we look into the motives of actions; that we go behind the statement of the law to what lives in the heart. For most of the Jewish people the law was the ultimate revelation of God, a secure guide to good conduct, containing in itself all wisdom. This Jesus would not accept. Not that he denied the law, but neither was he to be fulfilled by it. Instead Jesus was its perfection and fulfillment. He was the way and the wisdom!

Consequently, we find Jesus continually taking an aspect of the Jewish law which at first he seems to uphold, but then he gives it a more profound meaning, lifting it from the "letter" into the Spirit. He moves away from the safety and salvation bestowed by observing rules to the motives for which each individual is responsible. Thus we can see that our relationships are so important, with others and with God, who so often presents himself in those about us. All these relationships spring from our attitudes of heart and mind. Whatever prevents us from properly caring for others, whatever threatens to separate us from God, whatever may by appearance seduce us, these we must let go! We must not allow God to be taken from us nor prevent his love from reaching others, and our law will then truly express what is in our hearts! In other words, we obey God's law by listening to the Spirit's voice in the depths of our hearts, by acting with wisdom, honesty and compassion.

**Father Schleupner--Weekly Faith Message**

## **RESPECT LIFE MINISTRY**

### **February – 4<sup>th</sup> month**

The “Little One” posters displayed in the vestibule of the church are of beautiful pre-born children at the various stages of development inside their mothers’ wombs. Many posters displayed on January 27, 2017 during the 44th Roe v. Wade anniversary March for Life in Washington DC were photographs of mutilated and dismembered pre-born infants that would break your hearts to see. Continue to pray for your “Spiritually Adopted” baby so that he/she will continue to resemble the babies on our posters, not those on the posters of “legally” aborted babies!

#### **Fourth Month (size: about 9 inches)**

The baby’s brain has begun maturing – a process that will continue until she is about 14 years old. Her eyelids are now sealed shut and will re-open at 7 months. Her taste buds are working. Nutrients consumed by her mother are passed on to her within an hour or 2. Three hundred quarts of fluid a day are sent to the baby via the umbilical cord. Fine hair begins to grow on head, eyebrows and eyelashes. Facial expressions similar to the baby’s parents can be seen at this time. This month REMs (rapid eye movements) have been recorded – a sign of dreaming.

This is an exciting time for Respect Life.

1. President Donald Trump signed an executive order to re-establish the Mexico City Policy. In 1984, President Reagan signed The Mexico City Policy, which states that government funds will not be given to international organizations that fund abortions. President Clinton rescinded the order. President

Bush reinstated the order and President Obama rescinded the order. Thanks to President Trump for bringing it back.

2. Prominent members of the new administration, Vice President Mike Pence (Protestant) and Kellyanne Conway (Catholic), spoke at March for Life 2017 and the event has received media coverage not seen in many years.

The House of Representatives passed a bill to defund Planned Parenthood, the No Taxpayer Funding of Abortion Act (H.R. 7), with bipartisan support on January 24, 2017. Now, we wait for the Senate to act. Please call your senators to express support for “No Taxpayer Funding of Abortion.”

## **STEWARDSHIP UPDATE**

### **Stewardship Update:**

**Matthew 6: 19-22, 24. “Do not lay up for yourselves an earthly treasure. Moths and rust corrode; thieves break in and steal. Make it your practice instead to store up heavenly treasure, which neither moths nor rust will corrode nor thieves break in and steal. Remember, where your treasure is, there your heart is also. No man can serve two masters. He will either hate one and love the other or be attentive to one and despise the other. You cannot give yourself to God and money.”**

#### **Treasure – January 2017**

Offertory – EFT	\$13,069.25
Number of Donors	82

#### **Treasure – February 5, 2017**

#### **\*\*Next Weekend: February 18<sup>th</sup> & February 19<sup>th</sup>**

This will assist in decreasing the posting time.)**

### **Catholic School Parish Assessment - Archdiocese of**

**Baltimore:** *Second Collection:* To partially fulfill the obligation of the People of God to support Catholic Schools and the unique education they bring to the children within the Archdiocese of Baltimore. The funds acquired through this special collection are specifically restricted to use in parish, inter-parish, or Archdiocesan schools. Please be as generous as you can.

## The Bible and the Sacraments – On Line Study:

Experience the power of the Church's seven signs of grace in the St. Paul Center's new video study, *The Bible and the Sacraments*. This Lent, join thousands of Catholics online by participating in the free study at [BibleandtheSacraments.com](http://BibleandtheSacraments.com).

(Just type [BibleandtheSacraments.com](http://BibleandtheSacraments.com) into your browser.)

Join host Matthew Leonard for this visually stunning eleven lesson series that explores how and why the seven Sacraments are God's gifts of life and love to His children.

Examining the rich relationship between the Old and New Testaments, this study reveals the Sacraments as more than earthly rituals. They are "powers that come forth from the Body of Christ" (CCC 1116). The goal of *The Bible and the Sacraments* is to understand where the Sacraments come from, what they mean, and why they are so important and foundational to our Catholic faith.

The free online limited-time study begins on March 1, 2017 and will continue in 11 lessons through the Lenten season. Sign up now to participate in this deeply moving Bible study.

Two new lessons will be posted each week and will be available for two weeks after the posting date.

The St. Paul Center was founded by Biblical scholar Dr. Scott Hahn and this study is based on his writings
