

2019 APPRECIATION REPORT

Thank you for supporting Catholic Charities. These pictures are people who were impacted by your generosity last year. Because of YOU, they slept in their own beds, delivered healthy babies, received needed medications and sought counseling to improve their lives. But most importantly, YOU gave them hope! Your generosity provided resources for thousands of struggling local families.

Thank you for changing their lives!

- Michelle Martin

Executive Director

Like you, I am a person of faith. And that faith includes the strong belief that if my family would be in real need, someone would unselfishly reach out and help. It is Catholic Charities mission to do just that every day. Your willing generosity provided the resources for countless 'help' encounters this past year to those in real need. Catholic Charities humbly extends its immense gratitude and warmly thanks you for your valued gifts. Please join me and my spouse, Mary Kay, in continuing the support of our neighbors in need.
