Catholic Campaign for Human Development

Thank you for your contributions to the collection for the Catholic Campaign for Human Development (CCHD)! Your generous gifts will help CCHD break the cycle of poverty in the United States through better education, improved housing, and economic development. Through CCHD and its beneficiaries, we demonstrate Catholic social teaching and carry out Jesus' mission to "bring glad tidings to the poor...to proclaim liberty to captives and recovery of sight to the blind, to let the oppressed go free" (Lk 4:18)

"Advent is concerned with that very connection between memory and hope which is so necessary to man. Advent's intention is to awaken the most profound and basic emotional memory within us, namely, the memory of the God who became a child. This is a healing memory; it brings hope."

- Pope Benedict XVI, *Seek That Which Is Above* (1986)
