## A FRESH PERSPECTIVE ON THE SUNDAY READING HIS WORD TODAY

Jesus' departure and ascension was both an end and a beginning for his disciples. While it was the end of Jesus' physical presence with his beloved disciples, it marked the beginning of Jesus' presence with them in a new way. Jesus promised that he would be with them always to the end of time. Now as the glorified and risen Lord and Savior, ascended to the right hand of the Father in heaven, Jesus promised to send them the Holy Spirit who would anoint them with power on the Feast of Pentecost, just as Jesus was anointed for his ministry at the River Jordan. When the Lord Jesus departed physically from the apostles, they were not left in sorrow or grief. Instead, they were filled with joy and with great anticipation for the coming of the Holy Spirit.

Jesus' last words to his apostles point to his saving mission and to their mission to be witnesses of his saving death and his glorious resurrection and to proclaim the good news of salvation to all the world. Their task is to proclaim the gospel – the good news of salvation – not only to the people of Israel, but to all the nations as well. God's love and gift of salvation is not reserved for a few or for one nation alone, but it is for the whole world – for all who will accept it. The gospel is the power of God, the power to release people from their burden of guilt, sin, and oppression, and the power to heal, restore, and make us whole. Do you believe in the power of the gospel?

This is the great commission which the risen Christ gives to the whole church. All believers have been given a share in this task – to be heralds of the good news and ambassadors for Jesus Christ, the only savior of the world. We have not been left alone in this task, for the risen Lord works in and through us by the power of his Holy Spirit. Today we witness a new Pentecost as the Lord pours out his Holy Spirit upon his people to renew and strengthen the body of Christ and to equip it for effective ministry and mission world-wide. Do you witness to others the joy of the gospel and the hope of the resurrection?

**“Lord Jesus, through the gift of your Holy Spirit, you fill us with an indomitable spirit of praise and joy which no earthly trial can subdue. Fill me with your resurrection joy and help me to live a life of praise and thanksgiving for your glory. May I witness to those around me the joy of the gospel and the reality of your resurrection.”**

## A BRIEF SYNOPSIS OF THE SUNDAY READINGS

**First Reading: Acts 7:55-60**

Stephen was filled with the Holy Spirit, and described seeing Jesus standing at God's right hand. Then he was dragged away and stoned to death before many witnesses who did not believe his words. Before dying he cried, "Lord, do not hold this sin against them."

**Second Reading: Revelation 22:12-14, 16-17, 20**

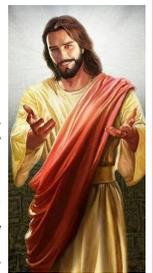

John hears a voice saying, "Remember I am coming soon!" This messenger for Jesus says that he will come to reward those who are deserving. Those who hear the call of the Spirit are encouraged to answer by accepting Jesus.

**Gospel: John 17:20-26**

Jesus prays for all the people who will believe in him through the words of his disciples. His prayer is that the world will live in unity, with Jesus living in us as he lives in God. Although we have not known God, we know Jesus was sent by God because of his love for us. He prays that this love will live on in all people.

If you prefer to give your donation in envelopes, you can drop them in our mailbox. Mailbox is checked a couple times a day.

## THE CHOIR LOFT RENOVATION

Dear parishioners,

Liturgical music is a necessary part of each liturgy making it more beautiful. In the Catholic Church, organs are the primary instrument to provide music in our churches. Any other instrument takes second place in the ladder of liturgical instruments. In our church, we have the beautiful organ that was used often during different liturgies. Unfortunately, this instrument that has served this church for so many years, is no longer in working condition. That is due to age, and many broken parts.

As a pastor, I involved two independent companies to see what were our options, and how we can improve the liturgical music in our church. The cost of repairing the organ is beyond our abilities, and with every year that passes, the condition of it gets worse. Moreover, the cost of fixing the organ is not proportionate to its quality.

After careful discerning and meditating over all the options, I concluded that the only and best option for our church is to replace the organ with a good quality professional electronic organ.

An electric organ is a better and more affordable alternative that should last us for decades without servicing. It is also the last chance to do it at an affordable price, as we see a spike in the price of building materials, and cost of labor and energy.

The project of removing the pipe organ and buying an electronic one is \$25,000. Saint Jude needs to renovate the choir loft and bring it to its former glory. That's why I ask you to support this cause, and beg for donations to buy this instrument to make our liturgies more beautiful. This instrument is going to be with us for generations, making you proud to attend such a marvelous church. We will renovate the choir loft and place the organ up in the loft.

Each **second and fourth Weekend**, the second collection will be an opportunity to donate money toward buying the instrument. Perhaps if you can, you can add a few more dollars in the second collection on those weeks and would be greatly appreciated.

One more request, if you have pictures of the choir loft from the time before the pipe organ was installed (before 1988), please share it with me.

As of May 24, 2022 we gathered \$1,767.00 in donations.

*Fr. Peter Wierzbicki*
