A FRESH PERSPECTIVE ON THE SUNDAY READINGS

““Forgive your neighbor’s injustice, then when you pray, your own sins will be forgiven. Could anyone nourish anger against another and expect healing from the Lord? Could anyone refuse mercy to another like himself, can he seek pardon for his own sins?... Think of the commandments, hate not your neighbor, remember the Most High’s covenant, and overlook faults.”… “Lord, if my brother sins against me, how often must I forgive?””

As the Lord speaks in these passages today, I ask: ‘Which is more difficult, to ask forgiveness or to forgive?’ Forgiveness is an attitude of love and concern to set things right. The adage, ‘forgive and forget’ is noble, but it is hard to forget. A wise spiritual guide said it another way, ‘forgive and remember without bitterness.’

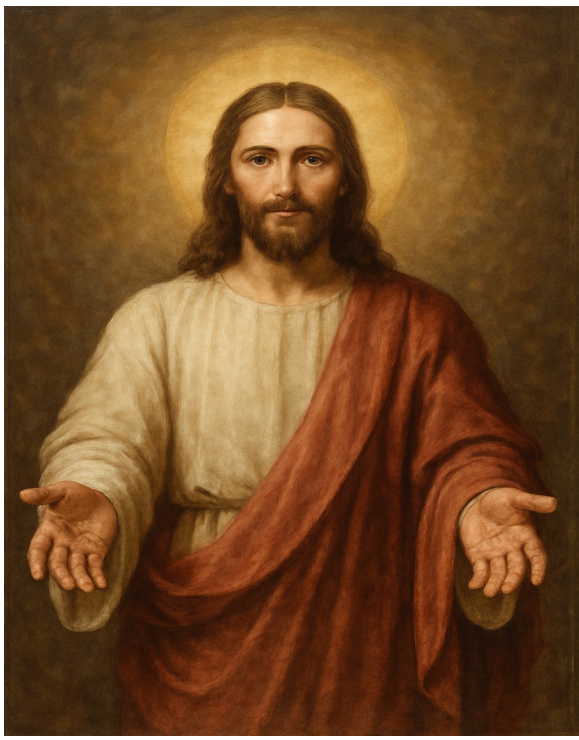

I leave the hurt behind and don’t allow the scar to keep me from offering the healing which someone else seeks. How powerful is the gift of forgiveness. May we use it well.

A BRIEF SYNOPSIS OF THE SUNDAY READINGS

First Reading: Sirach 27:30—28:7
Sirach advises all to forgive the faults of their neighbor. Only by forgiving the sins of others, can a person expect to be forgiven his sins.

Second Reading: Romans 14:7-9
Paul stresses that no one is his own master; we are responsible to the Lord, and we belong to him in both life and death.

Gospel: Matthew 18:21-35
This narrative points out the difference between mercy and justice. When Peter asks how often he should forgive someone who wrongs him, Jesus answers, “…not seven times: I say seventy times seven times.” Jesus then narrates the story of the king who was merciful to his official by forgiving him all his debts, but this same official showed no mercy to his own servant.

Guidelines for Protecting Yourself from Scams and Fraud

In today's digital age, scammers are becoming more sophisticated in their attempts to deceive people through emails, social media, and text messages. It is important to stay vigilant and protect yourself from potential fraud, especially when it comes to sensitive financial information or personal details. Below are some essential guidelines to help you identify and avoid common scams, and ensure the safety of both you and your parish community.

Some Guidelines:

- Never respond to a suspect email. If you are not sure, **Do Not Respond** to the Email call the person and speak to them personally to verify.
- Watch out for fake accounts, impersonators, and direct messages in social media applications.
- Watch out for fake text messages claiming to need favors or gift cards (some people report that cell phone numbers printed in Bulletins are susceptible to fake texts)
- All emails about any type of financial transaction must be confirmed verbally with the parties involved.
- Always look carefully at the email address, even that might look close to the real one.
- Any request for change in direct deposit, "a favor," gift cards, money, personal information, etc. is generally a scam.
- Please report any Parish related suspected scams to **technology@patersondiocese.org**
- Report any unusual activity to your local police.
- The diocese will never send you an email that is not from **@patersondiocese.org**, and Saint Jude church will never send you an email that is not from: **@stjudehopatcong.org** or **@judechurch.org**
