OLD BUSINESS:

A number of St Bernard of Clairvaux Chaplets remain unclaimed: A table containing these Chaplets was set up at the entrance to the annual picnic and several were claimed by picnic goers. Laura Angle will assist us in getting these into parish member's hands. Thanks Laura!

St Bernard of Clairvaux Feast Day was on 8/20. With all the transition, it was too hard to make connections with the new priests to get this ok'd for our group to use The St Bernard chaplets on his feastday. Will try for next year.

Since we had over \$500.00 in the kitty, we donated \$25.00 each to Durward's Glen and St. Vincent de Paul. Neal Bickler received the cash on behalf of St. Vinny's.

The "How to Pray the Rosary" inserts were inserted into the packets of rosaries at meeting's end.

Jeanette will send payment covering our annual dues to national for each member (\$2.00 each).

NEW BUSINESS

Our group did not really do anything special for Mary in the month of May. October is also another celebrated month for Mary. We need to think of something special to do to honor her in October. Perhaps the Rosary could be said prior to mass on a particular Sunday or weekend. The last rosary give-a-way was in May 2022. We voted to do another one of those on a date yet to be determined.

Next Meeting: 11/14/2023, TUESDAY, 8:45 am

Hostess: Laurie Z.
