A Message from Sister Mary Kay

“Love is patient, love is kind. It bears all things, believes all things, hopes all things, endures all things. Love never fails.” 1 COR 12:31—13:13

The above quote is taken from St. Paul's letter to the people in Corinth. It is by far the most popular wedding reading used in Catholic ceremonies. Perhaps because the description of love he offers is something we all truly aspire to be and share with others. Somedays we get it right and somedays we struggle that's just the way life goes but the most important thing is we never give up, we never stop trying to live up to our aspirations. Love is what grounds us in the truth that we are, all of us, created in the image and likeness of God, that we are loved unconditionally, and because we are created in God's image, because we are so loved, we have the potential to love. I was thinking I might keep the lines above from Paul where I can see them this week. Maybe if I start my day with these words they will keep me focused throughout the day on God's love, and if I end my day with these words they will help me to be grateful for the goodness of God in my life. Perhaps you could join me in this practice and if you have a moment let me know if it helps you know and be grateful for the love of God in your life. Have a grace-filled week! Peace!
