Saint Michael the Archangel, defend us in battle. Be our protection against the wickedness and snares of the devil. Amen.

Praised be Jesus Christ!

As your pastor, I am writing to you today with a message about the future of our parish.

More than 20 years ago, the parish came together to build our beautiful church and parish center. Those campaigns were called **Building Our Dream** and **Continuing Our Dream**. These buildings have served our community for a generation, and now it is time for us to ensure they continue to do so.

We are launching our **Maintaining Our Dream** appeal. Like many families, our parish has been impacted by rising costs. Currently, our expenses for utilities, maintenance, and staff are higher than the donations we receive. This is not a sustainable situation, and without your increased support, we could deplete our savings in just a few years.

I am so proud of our small, dedicated staff. In the past two years, they have worked tirelessly to grow our ministries, outreach, and Children's Religious Formation program. They are a "skeleton crew", and their tremendous efforts have accomplished so much, but we are stretched thin. The reality is that we are struggling to afford routine maintenance, and the costs to heat, cool, and light our buildings are thousands of dollars each month.

Our goal is simple: to increase our regular weekly donations so we can break even on our annual expenses. By doing so, any extra funds can be used to pay down our parish debt.

**Please consider increasing your regular weekly Sunday offering by just \$10 or \$20.** This small change from each household would make a profound difference and help us **Maintain Our Dream**.

We are also excited to introduce our new online giving platform, **ParishSoft Giving**. This new system is easier to use and allows you to specify donations for different collections. Our old platform will be discontinued on December 31, so please take a moment to cancel your old account at [givesij.org/cancel](https://givesij.org/cancel) and create a new one at [givesij.org](https://givesij.org). If are not yet enrolled in online giving, please consider making the switch today.

Thank you for your continued faith, support, and generosity. Together, we can ensure our parish remains a strong spiritual home for generations to come. As always, if now is not an opportune time to increase your weekly giving, please pray the Lord bless our parish family that we may continue **Maintaining Our Dream**.

For more information about the parish's financial posture, please see the Annual Report in this bulletin.

God love you!

Dear Friends in Christ,

It is with a grateful heart that I share our Annual Report for the 2025 Fiscal Year. Our parish continues to thrive because of your unwavering faith and generosity.

This year, your **Offertory Donations** were the foundation of our success, totaling **\$779,703**. We are also deeply grateful for the thoughtful contributions of **\$51,825** through **Qualified Charitable Distributions** or **Required Minimum Distributions**, which provide a lasting legacy for our parish. Other vital sources of income included **\$50,992** from our investments, along with contributions from **Religious Education Tuition \$34,563** and ministry-led **Fundraising Efforts \$24,107**. In total, your generosity resulted in **\$991,177** in income for the 2025 fiscal year.

On the expense side, our most significant investments were in our dedicated **Parish Staff \$385,166** and the ongoing care of our spiritual home through **Building Maintenance \$163,994**. I am so proud of our team, who, even as a “skeleton crew”, has accomplished so much this year. This commitment is also reflected in our **Operational Investments \$117,894**, which included a much-needed renovation of the parish office to improve efficiency and better serve our community. Other key expenses included **Diocesan Assessments \$146,876**, **Utilities \$95,683**, and **Loan Interest Fees \$76,711**. Our total overall expenses came to **\$1,064,858**.

While we did see a net difference of **(-\$73,681)** between income and expenses, this reflects our commitment to **investing in our future**. However, it is a reminder that we must strengthen our financial foundation to continue **Maintaining Our Dream** without relying on our savings.

This coming year, our goal is to increase our weekly offertory to not only cover our annual expenses but also to begin paying down our parish debt. **Imagine the impact we can have if every household were to increase their regular weekly offering by just \$10 or \$20**. This small change would create a profound, collective difference.

To make giving easier and more secure, we are excited to launch a new online giving platform, **ParishSoft Giving**. This new system allows you to direct your donations to different collections and helps our parish save on administrative costs. Please note that our old system will be discontinued on December 31st. If you use the old system, please take a moment to cancel your account at **[givesij.org/cancel](https://givesij.org/cancel)** and create a new one at **[givesij.org](https://givesij.org)**.

Thank you for your continued faith, support, and generosity. Together, we can ensure our parish remains a strong spiritual home for generations to come.

In Christ,

Fr. Jim
