On February 1, 1889, Catholic Mutual Relief Society of America was formed by a group of Midwestern Catholic Bishops to meet the needs of Catholic Entities.

The Catholic Mutual Relief Society is a 501(c)(3) non-profit, tax-exempt organization, dedicated to providing coverage for only the Roman Catholic Church entities in North America and its Territorial Sees.

Catholic Mutual's Board of Trustees is currently composed of 22 Cardinals, Archbishops and Bishops. The Chairman is the Most Reverend George J. Lucas, D.D., of the Archdiocese of Omaha.

Today Catholic Mutual provides coverage programs for 127 Arch/Dioceses and over 200 religious institutions throughout the United States and Canada.

In 1987, the Catholic Umbrella Pool (CUP) was formed.

In 1989, the Catholic Umbrella Pool II (CUP II) was formed.

In 1999, Catholic Mutual developed the Employee Benefit Buying Alliance (EBBA). The Board of Trustees had Catholic Mutual develop an affordable employee benefit program for the employees of the Catholic Church. Today the EBBA serves over 55,000 total employees of the Catholic Church.

Catholic Relief Insurance Company of America (CRIC) was formed in 1955 as a wholly owned subsidiary of Catholic Mutual Relief Society of America (CMRS). On August 6, 2009, CRIC re-domesticated from Nebraska and was approved to operate as a captive insurance company in the State of Vermont. In addition, on July 15, 2011 CRIC II was approved as a sponsored captive in the State of Vermont.

Catholic Relief Insurance Company of America (CRIC) has an A- rating from A.M. Best. Reinsurers are rated A- or better.

Catholic Mutual's Board and management recognize their fiduciary duties as stewards of the Church.

Catholic Mutual's Members benefit from the buying power and stability of a large group while still being rewarded for individual results. Every effort is made to maintain stable pricing from year to year.

Catholic Mutual is 100% owned by and exclusively devoted to satisfying the needs of catholic organizations.

Catholic Mutual's employees are committed to providing a comprehensive program of coverage, limits, and services to protect the Catholic Church from risks it faces each day.

Catholic Mutual has a history of providing the highest quality risk management, claim management and member services to the church.

Catholic Mutual has avoided major changes in coverage or limits despite 9/11, Hurricanes Rita, Katrina, and the sexual misconduct crisis.

Catholic Mutual's program is non-assessable regardless of size or number of losses paid. Our members' obligation would not change.

Catholic Mutual pays claims and collects from reinsurers on large losses. Catholic Mutual bears all "Reinsurance Risk". Broker based programs share no "Reinsurance Risk". The insured bears 100% of the risk of loss if a claim is disputed, reduced or excluded by reinsurers. While a broker may "assist" an insured in a reinsurance conflict, the broker has no financial responsibility to the insured.

This summary has been prepared to give each pastor, pastoral administrator, principal, institutional director, or administrator in the Diocese of Davenport a guide to the coverage which protects the property under the control of the Bishop. As used in this summary, references to the term “parish” are applicable to any parish, school, or other entity of the Diocese of Davenport which is covered under this program. The following information is presented to furnish you with a quick reference to answer basic questions about what is covered and who to contact in case of a loss. We have tried to mention as many of the important provisions which relate to losses that are covered and those which are excluded or not covered as is possible within the confines of a brief guide.

This information is a summary of the coverages and limitations intended only to highlight and is not intended to detail all the provisions contained therein. Specific extensions, conditions, and limitations are shown on the Certificate on file at the Chancery Office. If there is a conflict between a statement in this Summary and the actual Certificate, the terms of the Certificate control.

PREMISES PUBLIC LIABILITY COVERAGE

Each parish, mission, educational, charitable, and religious institution under the control of the Bishop is covered for Public Liability. This protects the Diocese of Davenport, the parish, and any clergyman, religious, employee, parish trustee, or director while acting in the scope of his or her duties and any authorized person while working in the capacity of an agent and/or volunteer, provided that such person is operating within the scope of the duties delegated to such person. The liability coverage also extends to protect any church organization authorized and controlled by the parish or Diocese. Please note, coverage does not extend to long term care facilities services.

The Liability portion of the coverage program provides Liability coverage for claims arising out of bodily injury, property damage, personal injury, advertising injury, and corporal punishment. "Personal Injury" extends to cover such things as false arrest, libel, slander and defamation of character, violation of right of privacy, wrongful eviction, discrimination, shock, and mental anguish. "Personal Injury" does not cover liability due to violation of penal statute, liability assumed under a contract, violation of antitrust laws, or employment related claims.

FAULT DOCTRINE

The Diocese is not obligated to pay personal injury or property damage claims UNLESS THE DIOCESE IS GUILTY OF NEGLIGENCE IN CAUSING THE INJURY OR DAMAGE. There are no direct benefits available to injured individuals under Premises Public Liability Coverage if the Diocese is not negligent (other than Medical Payments benefits).

MEDICAL PAYMENTS

Medical expenses resulting from injuries sustained on Diocesan owned property, without weighing the question of the Diocese legal obligation, are covered on an excess basis up to a \$1,000 limit. We reserve the right to require the injured party submit to examination, at our expense, by physicians of our choice.

The Medical Payments feature of your program has certain exclusions and limitations, and it is important that you understand them. Four of the most important are:

1. It does not cover work-incurred injuries to employees. This coverage should be provided by Workers' Compensation insurance.
2. Students are excluded. This exclusion pertains to Medical Payments coverage only. If a student is injured and a claim is made against the Diocese, you are protected under the regular Premises Liability Coverage.
3. It does not cover injuries resulting from athletic activities.
4. It does not cover any tenant or other person regularly residing on the premises.

ATHLETIC ACTIVITIES

Liability protection is provided for claims resulting from athletic activities. This applies whether or not such athletic activities take place on or off the premises.

PARISH SPONSORED ACTIVITIES

Coverage automatically extends to cover the Parish for events such as carnivals, bazaars, parties, and picnics sponsored by the Parish whether on or off the premises without additional charge. (Animal rides, carnival rides, or other mechanized rides or equipment should be approved by Catholic Mutual prior to the event.) The Diocesan contract review policy should be implemented with regard to vendors providing services for special events for the parish to be sure there is adequate coverage to protect all parties. This policy requires you to obtain insurance from a vendor which names the Diocese and Parish as additional insured's.

PREMISES

"Premises" is defined as the area within the confines of the parish property and is extended to other locations away from the parish for occasional parish-related functions.

PRODUCTS

Protection is provided for liability claims arising out of the consumption or use of food or merchandise, both on and off the premises.

OWNER'S PROTECTIVE

This feature provides automatic liability coverage for the additional exposure to accidents as a result of new construction or major remodeling projects; however, all projects of this type should be reported to Catholic Mutual as soon as they begin.

TEACHER'S LIABILITY

All teachers on assignment are covered for their liability arising out of their teaching activities. Corporal punishment is included.

CONTRACTUAL LIABILITY

This feature extends the Plan to provide coverage for certain oral or written contracts or agreements. This does not cover breach of contract by either party.

AUTOMATIC COVERAGE

Coverage extends to newly acquired premises to be used for parish-related purposes; however, Catholic Mutual should be notified immediately upon acquisition.

DIRECTORS AND OFFICERS

Covers all educational, charitable, and religious institutions boards operated and controlled by the Diocese.

LIQUOR LIABILITY

Covers claims resulting from occurrences arising out of the sale or dispensing of liquor by a parish or a Diocesan institution at scheduled social functions which are an integral part of the parochial or Diocesan activities.

WATERCRAFT

Covers non-owned watercraft up to 50 feet in length, motor powered watercraft of 25 horsepower or less, and/or sailing vessels 26 feet or less. This coverage does not protect the owner or provide physical damage coverage to the watercraft.

CARE, CUSTODY, OR CONTROL

Protects you from liability arising out of your use of personal property you do not own but which is in your care, custody, or control for the benefit and use of your Diocese/location. Coverage is limited to \$250,000 for personal property and \$1,000,000 for real property.

NON-OWNED/EXCESS AUTO

Excess auto coverage is provided to Religious, volunteers, and employees above their own coverage or the State financial responsibility limit while using their own automobile as an agent of the Diocese and while acting in the scope of his/her duties. This extension of coverage is limited to \$500,000 and does not apply until the religious, volunteers or employees own coverage is exhausted.

COUNSELING ERRORS & OMISSIONS

Provides coverage for counseling activities performed in conjunction with church ministries. Coverage extends to social workers, psychologists and clinical psychologists but does not extend to other medical professional services rendered by a physician or other licensed medical professional who may prescribe medications. Coverage also does not extend to Professional Services, including but not limited to: legal, engineering, surveying, architectural, financial advisory, scientific or other similar services.

INCIDENTAL MEDICAL MALPRACTICE INJURY

Protects the Diocese, parish, or agency for injury arising out of the rendering of medical screening or nursing services provided on your behalf; the furnishing/dispensing of drugs; and the providing of emergency medical/dental (or other related services) if not provided by the Diocese, parish or agency.

This protection does **not apply** to any Medical Professional for their personal acts or omissions of a professional nature. Medical Professionals include but are not limited to: physicians, psychiatrists, physician assistants, pharmacists, nurse practitioners, advanced registered nurse practitioners, nurse midwives, paramedic/emergency medical technicians, dentists, any individual licensed to prescribe medication or admit to hospitals, etc. However, parish and school nurses (R.N.'s) are protected for their personal acts of a professional nature so long as they are acting within the scope of their training and duties.

Protects the Diocese for its legal obligation to pay as the result of a sexual misconduct claim. Failure to report an incident may nullify coverage.

LIMITED MOLD COVERAGE

Coverage is limited to \$250,000 per claimant subject to a per occurrence/annual aggregate limit of \$20,500,000.

We will pay those sums you become legally obligated to pay for any bodily injury and/or property damage due to use of operation of an unmanned aircraft (drone) to a maximum of \$500,000 for any one occurrence that is in excess of the first \$10,000 of loss.

CLAIMS REPORTING INSTRUCTIONS

PROPERTY

If you have a property damage loss, take whatever means are necessary to protect the property from further damage. If contents are involved, separate the damaged articles from the undamaged. If buildings are open to the elements, arrange for temporary protection. You will be reimbursed for this expense. **CONTACT CATHOLIC MUTUAL AS SOON AS POSSIBLE.**

LIABILITY

It is important that all persons understand the scope, intent, and limitations of liability coverage. Pastors and persons holding positions of authority should be extremely cautious about discussing, interpreting or assuming liability.

If someone is injured on your premises, obtain the pertinent facts and names and addresses of all witnesses. Tell the injured person that you carry liability coverage and that it will be referred to your carrier. A fair and impartial investigation will be made by an adjuster to determine the facts as to whether or not the parish is guilty of negligence. **DO NOT UNDER ANY CIRCUMSTANCES ADMIT LIABILITY** or prejudge the facts. By doing so, you could be exposing the parish and the Diocese to a claim unnecessarily or to a claim which might exceed the amount of liability coverage carried. **IT IS IMPORTANT THAT YOU DO NOT DISCLOSE TO ANYONE THE LIMITS OF LIABILITY YOU ARE CARRYING.**

If you should be approached by anyone other than our adjuster, do not give that person a statement or deposition; simply refer that person to our adjuster.

If you are served a Summons, refer this promptly to our adjuster, because each Summons contains a deadline.

Special Events Coverage is a mechanism, which allows the Diocese to extend liability coverage to an individual or organization using parish facilities for a non-parish sponsored event.

Special Events coverage is designed to be extended to individuals and/or organizations (either profit or non-profit). Many individuals need this coverage for events such as private wedding receptions or family reunions. Non-profit organizations such as a charity organization may need the coverage for a pancake breakfast. A for-profit organization such as a local business may need the coverage for an employee Christmas party held on parish facilities

The Special Events Coverage provides \$1,000,000 Combined Single Limit Bodily Injury, Property Damage and Host Liquor Liability coverage per event (not per claim) to a non-parish sponsored facility user (lessee). Coverage also extends to protect the parish and Diocese.

See the attached application form.

CUP II MISSION STATEMENT

To provide an opportunity for smaller and medium sized Arch/Dioceses to Self-Insure Liability Coverage which would allow for the stabilization of the pricing and to minimize being susceptible to the volatility of the insurance market.

In the mid 1980's, there was a substantial hardening of the insurance market, especially in the area of casualty insurance. It was not uncommon to see increases of up to 400% for liability charges. Also, some coverages became unavailable in the marketplace. For instance, municipalities and day care centers were just two entities that were seriously impacted.

As a result, Catholic Mutual Group, along with a number of Dioceses, explored the possibility of forming an excess liability pool. This endeavor became a reality with the formation and commencement of operation of the Catholic Umbrella Pool (CUP) on July 1, 1987. There were 16 charter members, and this number has since grown to 33.

CUP had several requirements which naturally excluded many Dioceses from being able to participate in the Pool. These included 100% participation in the \$3.5 million excess liability layer, heavy capitalization, and a high level of Risk Management services. Through a similar process, Catholic Umbrella Pool II (CUP II) was formed and commenced operation on July 1, 1989 with 31 charter members. There are currently 75 members.

PURPOSE & CONTRIBUTIONS/RETURNS

PURPOSE

To provide broad coverage at the lowest possible cost by forming an excess liability pool that was attractive and affordable for small to medium size Dioceses. In essence, the pool replaces excess liability layers of coverage that would otherwise have to be purchased via the marketplace.

Since 2003, CUP II has realized its goal of self-insuring within the Church by co-participating in Catholic Mutual's risk. Effective January 1, 2013, CUP II increased its participation percentage in the \$9.5M XS \$500K liability reinsurance layers, and continues to retain 50% of the \$3.5M XS \$1.5M layer for its own members. Collectively, Catholic Mutual, CUP and CUP II self-insure the first \$10M of General Liability/Excess Liability Coverage.

CONTRIBUTIONS/RETURNS

Each member contributes annually to the pool. A member's annual contribution is based on a function of the liability that the member brings to the pool; this is determined by reviewing reported exposure units. Each member's equity is a combination of their proportionate share of contributions, cumulative investment income, allocated losses and operating expenses.

Return of Contributions – The Executive Committee annually determines and recommends to the General Membership the amount of Return of Contribution.

Return of Contribution amounts are based on the pool's equity, loss experience, and future case requirements. Members are eligible for a Return of Contribution after the 10th year of participation.

Members of CUP II enjoy many benefits. First and foremost is the sharing of information that takes place. In addition to that which pertains to the Pool, in coming together, a member may find solutions or guidance to problems that they may be experiencing and have already been resolved by a fellow participant.

Each member of CUP II “owns” a portion of the Pool’s funds. With continued success and good claim history, members will be eligible for dividends or return of equity.

With emphasis on Risk Management, services can be obtained at a more economical cost. Reduction of losses in all areas as a result can further help to maintain costs. There are also other economies that may be enjoyed due to the size of the Pool.

It is difficult to quantify all the benefits served from the participation in the Pool. However, in the long run, members of CUP II will not be as susceptible to the volatility of the insurance market and will in essence control their own destiny regarding insurance.

In order to protect the assets of the Pool and to minimize the exposure to loss, the Executive Committee and Catholic Mutual feel it is necessary to implement a Risk Management Program that would be effective, yet cost efficient.

These objectives will be accomplished through the utilization of Catholic Mutual:

1. Annual loss prevention inspections will be conducted at all locations of a high-risk category of each participating Diocese. These high risk locations will be facilities such as, but not limited to, high schools, grade schools with students of 500 or more, retreat/pastoral centers, children's homes or detention centers, cathedrals and large churches, chanceries, and restaurants, as well as specific problem locations.
2. Catholic Charity operations, youth ministry, fleet safety and large-scale cemetery operations will be reviewed.
3. A self-inspection program will be implemented and administered by Catholic Mutual.
4. Pertinent safety literature will be made available and distributed.
5. Seminars/workshops may be conducted.
6. CUP II required policies will be implemented and recommended policies will be considered for implementation.

With a comprehensive Risk Management program in place, identification and correction of hazardous conditions should result in a decrease in the frequency and severity of losses. The benefits gained from this program will impact not only in the Liability area, but also in other lines of insurance.

School Safety Coordinator Program

- Schools must designate a Safety Coordinator. This individual conducts 2 School Safety Surveys during the course of the school year. The Safety Coordinator also is required to complete two online training modules designated specifically for the School Safety Coordinator Program. Once completed, they are eligible for a \$300 stipend: \$150 per school contributed by CUP II matching \$150 per school contributed by the diocese.

\$1,000 Risk Management Contribution

- Annual contribution by CUP II to reimburse member for a risk management related expense.
