3. Introductions
4. Continuing Business
 - a. Host FDLC National Meeting in October 2026. All continuing on schedule. Working on “skit” presentation for this year’s FDLC meeting.
5. New Business
 - a. Keokuk School Chapel (St. Vincent). Principal Shari Bozorgzad. Mass in gymnasium not ideal, and current chapel is very small. Enrollment increasing (82), but only 14-17% Catholic. Pre-K-5th grade. So, moved library space to make it more accessible to younger children – leaving the library space available for a new chapel. Parish in IL closing, so were able to acquire pews from there as a donation. Sound system also being donated. Will seat about 100.

Will use furnishings from current chapel. Sacristy: small room to the right. Plan to install screen. Proposing a cross with a separated (rising?) Jesus. Globe lights need to be removed eventually. Keep things as flexible as possible. Recommend that do the minimum right now. And then have Gale visit to discuss varied options. First Mass September 10. OK to use. Bless after completed later in the year. Make sure to allow space for piano. Watch out for clutter.

6. Next meeting:
 - a. Plan on no meeting in September unless urgent need
 - b. October 16
 - i. Prayer:

Respectfully submitted,
