1. Prayer
2. Introductions
 - a. Mark Miller is serving as architect for this project. Bridget Murphy, AHS Principal.
3. Parish Presentation
 - a. Assumption High School Chapel

Viewed physical space and then reviewed existing plans. Discussed recent changes to Davenport Building Code, making it necessary to design the chapel to serve as a storm shelter. Again discussed the awkwardness of a toilet in the sacristy. Confessional requirement discussed; need to protect privacy as well as the confessor. Discussed storage issues. Estimated cost around \$2M. All of the funds have been secured. Anticipate preparatory work in April and construction finished by October. Bishop asks that he reviews the final plans for the confessional.

4. Approve October 30 minutes
5. Review Corporate Resolutions
6. Future scheduled meetings:
 - a. March 26

Respectfully submitted,
Deacon Frank Agnoli
