Does your marriage need a tune up?

Or even a major overhaul?

Sometimes a marriage can run along fine and then things change.

They may need your time and attention.

Sometimes lines of communication break down and they need repair. Sometimes our focus moves away from our marriage and family and needs a little redirection. Sometimes a fair or average marriage is just not enough. Have you ever thought to yourself, "How can I make my marriage better?" If so, Retrouvaille can help. Retrouvaille is marriage program for couples whose marriage has become off course. It begins with a weekend program that can help get your relationship back on track. It is an effective program that has worked for thousands of couples and it can work for your marriage. For more information about our upcoming Retrouvaille Weekend, February 4-6, 2022 program for couples, contact: Andy and Lilly Cichon @ 770.912.4743 or visit our website: HelpOurMarriage.org

POPE FRANCIS' PRAYER INTENTION FOR JANUARY

For true human fraternity

We pray for all those suffering from religious discrimination and persecution; may their own rights and dignity be recognized, which originate from being brothers and sisters in the human family.

TREASURES FROM OUR TRADITION

We have the wedding at Cana at the heart of today's liturgy because this story of Jesus' first miracle of water turned into wine was originally part of the Epiphany feast. Wedding celebrations always require some savvy planning, and a people who have a talent for hospitality in the mix. The mother of Jesus has been recruited to deal with some of the details of the banquet, and when a very understandable crisis arises, she does what she can to rescue the party. Anyone who has ever run out of ice, dessert, or table settings knows the stress!

Slowly, the memory of Jesus Christ's blessing of this marriage feast led the Church to form a way to bless marriages. A thousand years ago weddings migrated from the family home to the doors of the church, where the celebration was held in public view. From this practice came a prayer called the "Nuptial Blessing," one of the most solemn prayers in our tradition. It is very much like the prayers by which baptismal water and chrism are consecrated, the ordination prayer over a priest, and the Eucharistic Prayers over bread and wine. Four hundred fifty years ago, weddings moved inside the church building. All of this gives married couples good reason to celebrate this day as a mini-anniversary, especially with the clinking of glasses filled with good wine.

Building Committee Update (January 15th and 16th Masses)

A Zoom Meeting was held last week. Participants were John Schiavone (CCSI), Dennis Kelly (CCSI), Ron Hadaway (Architect), and Dave Slezigkey.

Kevin Herndon, DPH Certified Soil Classifier, recommended that we tie into the city sewage system or put a new septic system in behind the new social hall. This would necessitate removing trees and additional grading, which the additional cost was not initially included in our budget. In addition, the area where the existing septic system is located is not large enough to accommodate the expansion. Soil percolation (water trickling through the dirt) is slightly better behind the new building. If we elect to tie into the city sewage system, most likely both the existing hall and the Church will also be connected. John and Ron will secure pricing for both plans.

John recommended that a double door opening into the hall be used to make it easier to store things. That was agreeable by all.

Ron is to provide new drawing changing the door.

John/Ron to get roof truss pricing from a manufacturer.

Richard Chalk will talk to Ron regarding IT requirements and location of AV Storage Rack.

John sent drawings on the construction of the Church. Dave will check with Marion Rice to make sure they are the correct ones. Both Marion and Dave agree that they are the same.

Dave is to give Ron a toilet/sink count in the church.

Drawings are moving along satisfactorily.

A scope letter will be sent out to all prospective bidders asking if they are interested in quoting on the project.

Plans and specifications will be released for pricing the middle of February.

Should you have any questions, please contact Dave Slezigkey at (706) 779-1833 or slezick@hotmail.com

COVID-19 Update

As everyone is aware, the COVID-19 virus continues to mutate and presents a health risk. The Archdiocese of Atlanta has asked all parishes to continue taking precautions to protect the health and safety of everyone.

Saint Mary's will implement the CDC and Archdiocesan COVID-19 Safety Guidelines as follows:

Please sanitize your hands whenever you enter the church, and we will sanitize the pews after each Mass.

Masks are strongly recommended indoors for everyone. Those who are unvaccinated are especially asked to wear a mask. We are working on an honor system for this.

Please maintain social distancing in accordance with guidance from the Centers for Disease Control. This means people should maintain a reasonably healthy distance (6 feet) between themselves and others who are outside of their families.

The missalettes will not be placed in the in the pews. If you have a missalette, please take it home with you and bring it back to Mass.

Communion will be distributed only by host, and everyone is encouraged to receive in the hand.

The weekly Parish Bulletins will be left in the narthex for you to pick up.

If you feel sick, in any way, PLEASE, stay home for the safety of others.

We strongly recommend that everyone get vaccinated (and boosted). We will continue to monitor the CDC as well as local health agencies guidelines. Thank you for your cooperation in this important matter.

Father Henry & Deacon Greg
