## God's Housekeeper's 2022

from: LaVerne Tilley

I will be creating the schedule for the upcoming year. We need more helpers to clean the church. We work in pairs and if there are enough volunteers your commitment is 4 times per year. Cleaning the church takes about one hour and is such a blessing and peaceful ministry. Supplies and cleaning equipment are provided. You only need to volunteer an hour to vacuum, dust, and light cleaning. If you would like to be part of this ministry there are forms in the Narthex to complete for your contact information (left side). The schedule will be out in late January.

Please let me know if you have any questions.

Please call me if you would like to learn more about this wonderful ministry that will start up after the new year.

Beginners & experts are welcome!

## TREASURES FROM OUR TRADITION

The song of the angels, "Holy, Holy, Holy," resounds from our lips at every Mass. There was a widespread belief in the first religions of the world that God stirred creation into being by a word, a song, a musical note. Music and a sense of God's presence have always been inseparable.

In the liturgy, your voice is invited into this song as the priest names the reasons for our praise. "Heaven and earth are full of your glory," and we are not passive onlookers, but participants in this glory. Catholic prayer no longer assigns this angelic hymn to a choir, but gives it to you to sing. Even if your voice is thought to be suitable only for a well-insulated shower stall, you are called into this song.

We are born to sing—just listen to a baby testing the full range of newly-discovered vocal abilities. Soon we get shushed and hushed into quiet, and given lots of messages that our voices are unwanted, and that we need to raise our hands in order to be heard. All of that is overturned in liturgy, the place where God waits to hear us come alive in the song of all creation. In heaven, everyone's in the choir; why not start practicing now?
